Dear Supervisors:

**REQUEST TO APPROVE TWO COMMUNITY TREATMENT FACILITY (CTF)  
SERVICES AGREEMENTS  
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**JOINT RECOMMENDATION WITH THE CHIEF PROBATION OFFICER AND THE  
DIRECTOR OF THE DEPARTMENT OF MENTAL HEALTH THAT YOUR BOARD:**

1. Approve and delegate authority to the Director of the Department of Children and Family Services (DCFS), and the Director of the Department of Mental Health (DMH) to execute an agreement, similar in form to the attached Community Treatment Facility (CTF) Agreement with Star View Children and Family Services, Inc. (Star View), a non-profit division under the Stars Behavioral Health Group [Attachment A] for the provision of CTF services, including but not limited to mental health treatment services administered by licensed mental health professionals, the availability of a registered nurse on a twenty-four (24) hour basis, development of needs and services plans for each child, etc., for the period of July 1, 2006 through June 30, 2007 with an estimated cost of \$1,082,688. The cost is financed using approximately \$300,987 (27.8%) State, and \$781,701 (72.2%) net County cost (NCC). Placement costs associated with this Agreement are paid separately through Aid to Families for Dependent Children – Foster Care (AFDC-FC) funds. Sufficient funding is included for the supplemental payments in the DCFS FY 2006-07 Proposed Budget.
2. Approve and delegate authority to the Director of the Department of Children and Family Services (DCFS), the Director of the Department of Mental Health (DMH), and the Chief Probation Officer (Probation) to execute an Agreement, similar in form to the attached Community Treatment Facility (CTF) Agreement with Vista Del Mar

Child and Family Services (Vista Del Mar) [Attachment B] for the provision of CTF services, including but not limited to mental health treatment services administered by licensed mental health professionals, the availability of a registered nurse on a twenty-four (24) hour basis, development of needs and services plans for each child, etc., for the period of July 1, 2006 through June 30, 2007 with an estimated cost of \$974,592 financed using approximately \$270,937 (27.8%) State, and \$703,655 (72.2%) net County cost (NCC). Placement costs associated with this Agreement are paid separately through Aid to Families for Dependent Children – Foster Care (AFDC-FC) funds. Sufficient funding is included for the supplemental payments in the DCFS FY 2006-07 Proposed Budget.

3. Instruct the Director of DCFS to notify your Board and the Chief Administrative Office (CAO) in writing within ten (10) working days of executing the CTF Agreements.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Star View and Vista Del Mar are the only facilities licensed by the California Department of Social Services (CDSS) to provide CTF services in Los Angeles County. These CTF Services are needed for the placement of children who require more intense services than from services provided by a group home of a Rate Classification level (RCL) 14 but in a less restrictive and more community-based facility than a state or acute institution.

DCFS in conjunction with the DMH and Probation agree that entering in to a new twelve-month Agreement is more appropriate than the initial intent of requesting a three month contract extension of the current contract. However, Probation will enter into a twelve-month Agreement with only Vista Del Mar.

The new twelve-month Agreement will provide an opportunity to research and study some new issues not included in the current Agreements but deemed important in the provision of CTF services, and those issues in the current Agreements that need to be revised and updated based on the current need/situation of the target population.

These issues among others are as follows:

- Profile of CTF residents
- Treatment and length of stay
- Intake and screening process
- Care and supervision staffing
- No eject/reject policy

The new Agreement for each provider is based on their current CTF Agreement and has been updated to include all the required Board provisions, and the major Fiscal provisions from the latest approved Master Agreements for Group Homes. The adoption of the new Agreements will ensure continuous CTF services to the children of Los Angeles County served by the program and provide an opportunity to procure the

services of a consultant to assist in the research and study of important issues that will enhance the provision of CTF services in the future based on current needs of the children and the community.

Both Star View and Vista Del Mar are reimbursed at the RCL 14 rate of \$6,317 per child per month. Both providers also receive a supplemental rate of up to \$2,500 per child per month, prorated for length of stay, and as authorized by State law, for the additional costs associated with CTF's compared to RCL 14 Group Homes. Vista Del Mar currently receives an additional \$1,260 per child per month as approved by the Board on July 23, 2002.

Star View Children and Family Services, Inc. has been placed on "HOLD" status by DCFS effective May 31, 2006 pending an on-going investigation of an incident on May 1, 2006. Presently, investigation is still pending completion. "HOLD" status means that an agency is unable to obtain new referrals. Star View has not obtained a new referral since the "HOLD" status was issued on May 31, 2006, and will not obtain any referrals until the "HOLD" status is lifted.

This Board Letter does not meet the Board's policy on timely filing. Late filing is a result of the unresolved issues during the negotiations that needed to be researched and studied further by DCFS, DMH and Probation Department.

#### Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan, Goal #1 (Service Excellence), Goal #4 (Fiscal Responsibility), and Goal #5 (Children and Families Well-Being). The recommended action will ensure that services rendered by the two incumbent providers will continue without interruption for the benefit of the Los Angeles County children served by the program.

#### **FISCAL IMPACT/FINANCING**

There will be no change in the payment rate under the new Agreements. Both Star View and Vista Del Mar will be reimbursed at the rate established by the State for Group Home RCL 14 in the amount of \$6,371 per child per month. In addition, both providers will receive a supplemental rate of \$2,500 per month per child pursuant to Welfare and Institutions Code (WIC) Section 4094.2(d). Vista Del Mar will receive an additional supplemental rate of \$1,260 per month per child. Therefore, the total cost per month for each child in Star View and Vista Del Mar is \$8,871 and \$10,131, respectively. All these rates are prorated based on a placement's length of stay at the CTF.

Star View has 40 CTF beds and Vista Del Mar has 24 CTF beds available for placements. Vista Del Mar's bed allocation had been increased to 24 beds (from 21 beds) per CDSS letter dated October 20, 2003. The occupancy rate for both agencies based on data from prior years is 90%. This rate is reflected in the cost of the new Agreement for each provider. The estimated total maximum contract sum for these two

separate Agreements from July 1, 2006 through June 30, 2007 is \$2,057,280. This cost will be financed using approximately 27.8% State revenue and 72.2% Net County Cost (NCC). Sufficient funding is included in the DCFS FY 2006-07 Proposed Budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Superior Court gives responsibility for the care, custody, and control for each Dependent Child to DCFS, and for each Ward to the Probation Department (Probation). The Department of Mental Health (DMH) clients are placed by their parents voluntarily (pursuant to Title 1, Division 7, Chapter 26.5, California Government Code). The recommended action will allow continuous CTF services without interruption and also provides an opportunity for the County to conduct the necessary research and study utilizing the services of a consultant to enhance the provision of the CTF services that will be more responsive to the need of the children and the community.

WIC Section 4094.2 (d) authorizes a supplemental rate of up to \$2,500 per child per month in addition to the RCL 14 Group Home rate of \$6,371 per child per month. The additional supplemental rate of \$1,260 per child per month for Vista Del Mar approved by your Board on July 23, 2002 was to assist the provider who was then operating at a loss due to inability to operate at full bed capacity. This additional supplemental rate for Vista Del Mar is 100% NCC.

The CAO and County Counsel have reviewed this Board Letter and the CAO has approved it for filing. The Agreement has been approved as to form by County Counsel.

### **CONTRACTING PROCESS**

No solicitation process is required for these two separate Agreements. These two providers were initially chosen through a State released RFP to solicit providers to be licensed for a State-wide CTF program. These two providers are the only State licensed CTF facilities in Los Angeles County.

DCFS has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to these Agreements.

### **IMPACT ON CURRENT SERVICES**

Approval of the recommended actions will allow for Community Treatment Facility services to be provided without interruption."

The parties understand and agree that the Definitions of Terms set forth in Exhibit F will apply in interpreting the Agreement.

#### **4.0 CONTRACT SUM**

- 4.1 COUNTY and CONTRACTOR agree that this Agreement is for placements of children, at the Rate Classification Level (RCL) 14 rate of \$6,371 per child per month, paid through Aid for Families of Dependent Children – Foster Care (AFDC-FC) funds, and in addition, the supplemental rate payment of \$2,500 per child per month for CTF services paid through this Agreement. The supplemental rate payment is a firm-fixed price Agreement. During the term of this Agreement, COUNTY shall compensate CONTRACTOR for the services set forth in this Agreement, including Exhibit A, Statement of Work.
- 4.2 CONTRACTOR shall not be entitled to payment or reimbursement for any tasks or services performed, nor for any incidental or administrative expenses whatsoever incurred in or incidental to performance hereunder, except as specified herein. Assumption or takeover of any of the CONTRACTOR's duties, responsibilities, or obligations, or performance of same by any entity other than the CONTRACTOR, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever, shall occur only with the COUNTY's express prior written approval.

Upon occurrence of this event, CONTRACTOR shall notify COUNTY, in the manner set forth in Section 30.0, Notices, of this Agreement.
- 4.4 CONTRACTOR shall have no claim against COUNTY for payment of any money or reimbursement, of any kind whatsoever, for any service provided by CONTRACTOR after the expiration or other termination of this Agreement. Should CONTRACTOR receive any such payment, CONTRACTOR shall immediately notify COUNTY and shall immediately repay all such funds to COUNTY. Payment by COUNTY for services rendered after expiration/termination of this Agreement shall not constitute a waiver of COUNTY's right to recover such payment from CONTRACTOR. This provision shall survive the expiration or other termination of this Agreement. Notwithstanding the foregoing, if COUNTY does not remove a Placed Child from a group home following termination of this Agreement, COUNTY will pay based upon the group home's RCL rate.
- 4.5 The total amount payable under this Agreement is One Million, Eighty-Two Thousand, Six Hundred and Eight-eight Dollars (\$1,082,688), hereinafter referred to as "Maximum Contract Sum". The maximum amount payable under this Agreement for each of the Agreement years shall not exceed One Million, Eighty-Two Thousand, Six Hundred and Eight-eight Dollars (\$1,082,688), hereinafter referred to as "Maximum Annual Contract Sum".

Budgeted expenses shall be reduced by applicable CONTRACTOR revenues, which are identified thereon. The line items shall provide sufficient detail to determine the quality and quantity of services to be delivered. This Budget is attached hereto and incorporated by reference herein as Exhibit E, Contractor's Proposed Budget. CONTRACTOR represents and warrants that the Budget is true and correct in all respects, and services shall be delivered hereunder in accordance with the Budget. In the event the Maximum Contract Sum is increased pursuant to Section 5.0, Change Notice and Amendments, hereof, CONTRACTOR shall prepare and submit an amended Budget.
- 4.7 Time is of the essence with regards to CONTRACTOR's performance of any tasks, deliverables, goods, services, or other work, as specified in this Agreement, provided, however, the foregoing shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Agreement.

## **5.0 CHANGE NOTICES AND AMENDMENTS**

COUNTY reserves the right to change any portion of the work required under this Agreement, or make amendment to such other terms and conditions as may become necessary and reasonable. Any significant cost impact associated with such an amendment will be addressed in developing the amendment. A "SIGNIFICANT COST IMPACT" is defined as an incremental cost of \$1200 annually on a cumulative basis. Such revisions will be accomplished in the following manner:

- 5.1 Any and all Exhibits other than CONTRACTOR's Statement of Work, Program Statement, and Proposed Budget (Exhibits A, B, and E, respectively), and any other Document expressly referred to as having been provided to CONTRACTOR by COUNTY, may be unilaterally changed by COUNTY to reflect changes in County, State, or Federal laws, regulations, ordinances, court orders or rulings, or in COUNTY policies or procedures, provided that such changes reflecting modifications to COUNTY policies or procedures with SIGNIFICANT COST IMPACT on CONTRACTOR must be amended pursuant to Section 5.2 or 5.3. Amendments made pursuant to this Section 5.1 shall be effective upon the effective date of the legislative change or court order, or in the case of other documents upon the delivery of such to CONTRACTOR.
- 5.2 For any change which does not have a significant cost impact, affect the scope of work, period of performance, payments, or which does not

materially alter any term or condition included in this Agreement, or for any change in CONTRACTOR's Program Statement, a change notice shall be prepared by COUNTY, and executed by CONTRACTOR and Program Directors or designee. As used herein, the term "MATERIALLY ALTER" is defined as being a change which, in the sole discretion of COUNTY, warrants execution by the Board of Supervisors.

- 5.3 For any change not covered by 5.1 or 5.2, an amendment to this Agreement will be prepared by COUNTY, signed by CONTRACTOR, and thereafter submitted to COUNTY's Board of Supervisors for consideration and, if approved, execution.

## **6.0 CONTRACTOR'S SERVICES**

- 6.1 CONTRACTOR agrees to provide services for the needs of each placed child as outlined in the California Department of Social Services (CDSS) Manual of Policy and Procedures, Section 11400 et seq., California Code of Regulations, Title 22, and Exhibit A, Statement of Work. Such services shall be provided by CONTRACTOR to each placed child in accordance with the CONTRACTOR's Program Statement attached hereto as Exhibit B and consistent with the CTF license for which CONTRACTOR is paid.
- 6.2 The CONTRACTOR's Program Statement will be submitted for approval by COUNTY at initiation and renewal of this CTF Agreement. CONTRACTOR shall submit a revised Program Statement to COUNTY at any time during the term of this Agreement that CONTRACTOR makes changes to the program or to the facility including, but not limited to, Program Statement changes that affect the Rate Classification Level (RCL) as defined by WIC 16501.5. The CONTRACTOR's Program Statement will include, but not be limited to, operating capacity, specific statements defining intake policy, treatment services and policies, preplacement and discharge policies, detailed statements of the total services provided by CONTRACTOR, staffing and the Group Home Program Cost Report (SR3) and the Group Home Program Payroll and Fringe Benefit Report (SR4) submitted to the rate setting and licensing agencies. CONTRACTOR's performance under this Agreement will be evaluated in part based on CONTRACTOR's Program Statement. Changes to the Program Statement shall be made in accordance with Section 5.0, Change Notices and Amendments.
- 6.3 The parties understand and agree that appropriate MENTAL HEALTH SERVICES will be provided to the children placed in the CTF. The parties agree that the terms and conditions for such services will be governed exclusively by an existing separate agreement with COUNTY's Department of Mental Health and Star View Children And Family Services, Inc., and any Amendments thereto, PROVIDED that any real or perceived

conflicts will be resolved to the fullest extent possible to ensure compliance with the State laws and regulations governing CTFs. The parties agree to support the maximization of Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Medi-Cal funding for these MENTAL HEALTH SERVICES and that no portion of the COUNTY augmentation dollars (CGF) will replace EPSDT funds.

- 6.4 The parties understand and agree that costs associated with educational, medical, and dental services shall be reimbursed in whole or in part through means other than this Agreement.

## **7.0 TERM**

The term of this Agreement shall be from July 1, 2006, or date of execution, whichever is later, through June 30, 2007, unless earlier terminated in accordance with the termination provisions herein.

- 7.1 County has no obligation to pay for expenditures by Contractor that exceed the Maximum Contract Sum.
- 7.2 CONTRACTOR shall have no claim against COUNTY for payment of any money or reimbursement, of any kind whatsoever, for any service provided by CONTRACTOR after the expiration or other termination of this Agreement. Should CONTRACTOR receive any such payment, CONTRACTOR shall immediately notify COUNTY and shall immediately repay all such funds to COUNTY. Payment by COUNTY for services rendered after expiration/termination of this Agreement shall not constitute a waiver of COUNTY's right to recover such payment from CONTRACTOR. This provision shall survive the expiration or other termination of this Agreement. Notwithstanding the foregoing, if COUNTY does not remove a Placed Child from a CTF following termination of this Agreement, COUNTY will pay based upon the CTF's rate.
- 7.3 CONTRACTOR shall notify COUNTY when this Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, CONTRACTOR shall notify COUNTY, in the manner set forth in Section 30.0, Notices, of this Agreement.

## **8.0 PAYMENT**

COUNTY has received and approved CONTRACTOR's Proposed Budget, Exhibit E, in accordance with the statutes and regulations governing CTFs. CONTRACTOR will offer the level of care and services required to receive the highest foster care rate provided for under the current group home rate system. Payment shall only occur for days spent at the CTF. If a placement is made into

another of Contractor's Programs, e.g., Psychiatric Health Facility, Title IV-E funds and CTF supplemental funds cannot be utilized.

- 8.1 In addition, COUNTY will pay CONTRACTOR up to two-thousand five-hundred dollars (\$2500) per month per COUNTY-placed child from CGF, prorated, for CTF child care and supervision services not reimbursed from other funding sources. The parties agree that payment of these CGF funds is only for ACTUAL ALLOWABLE COSTS, in accordance with the payment, invoice, and review provisions set forth in this Agreement. CONTRACTOR will work with COUNTY to maximize revenue from non-COUNTY sources.
- 8.2 CONTRACTOR may make reallocations of expenses between major budget categories without COUNTY consent, as long as such reallocations do not exceed 10% in the annual aggregate. CONTRACTOR may, in addition, request reallocations between major budgeted categories in excess of 10% in any category in the annual aggregate, PROVIDED that such requests do not change the Maximum Contract Sum, and are in writing and approved by COUNTY's Program Manager and Finance Officer. COUNTY will accept no more than three such requests each contract period, unless the Program Manager determines the need for additional budget modifications, in his sole discretion.
- 8.3 CONTRACTOR shall complete and submit vouchers in arrears, for services rendered in the CTF in the previous month. Billing shall only be for days spent in the CTF and shall be exclusive of any other programs. All vouchers shall be received within five days of the last day of the previous month. Vouchers shall be sent to:
- Revenue Enhancement  
Vendor Voucher Validation Unit  
P.O. Box 2969  
Covina, CA 91722-8969
- 8.4 Placements lasting less than a full month shall be prorated. Payment shall commence the day the child is placed with the CONTRACTOR in the CTF and terminate the day before the child is removed. When the CONTRACTOR holds open a bed at the request of the child's COUNTY Worker in anticipation of the child's return, COUNTY shall pay for that bed for the requested number of days up to seven (7) days for requests from DCFS.
- 8.5 COUNTY shall make every effort to pay the CONTRACTOR the amount due within 15 calendar days after receipt of the voucher or payment authorization date. Retroactive and supplemental increases in payment to

CONTRACTOR shall not be bound by the 15 calendar day payment goal. Questions regarding payment should be directed to the DCFS Foster Care Hotline at (800) 697-4445.

- 8.6 CONTRACTOR shall notify the COUNTY within 30 days of the receipt of any payment that is incorrect. Notification must be made by completing the Payment Resolution Notification form (COV 71) and faxing it to (626) 858-9143. Interest charges may be assessed from the 30th day following identification and written notification of the incorrect payment, at a rate equal to COUNTY's current Pool Rate, as determined by COUNTY's Auditor-Controller, per day on the delinquent amount due. Interest charges shall be paid by CONTRACTOR upon demand. COUNTY will resolve payment discrepancies within 30 days of receipt of the Payment Resolution Notification Form. COUNTY will provide CONTRACTOR with written notice of payment resolutions. CONTRACTOR will be required to repay any excess funds in accordance with Section 9.0 of this Agreement. COUNTY shall make every effort to pay CONTRACTOR any underpayment within 30 days of written notice of payment resolution to CONTRACTOR.
- 8.7 In addition to any other notice requirements, CONTRACTOR shall notify DCFS Foster Care Hotline at (800) 697-4444 for DCFS children or DMH Countywide Case Management Unit at (213) 738-2906 for DMH children, within 24 hours whenever a child leaves the CONTRACTOR's facility or a child is moved from one RCL level of care to another RCL level of care within CONTRACTOR's program.
- 8.8 Should CONTRACTOR, after having a child admitted into a psychiatric hospital, decide not to take the child back, then all foster payments made to CONTRACTOR to keep space available for that child shall be returned immediately to the COUNTY by CONTRACTOR, unless otherwise agreed to by COUNTY and CONTRACTOR.
- 8.9 The COUNTY may, at its discretion, implement an alternative payment system to replace the current voucher payment system. Any changes to the payment system will be discussed with the CONTRACTOR prior to implementation.
- 8.10 CONTRACTOR will be required to use unrestricted funds to repay any interest charges or liquidated damages assessed by the COUNTY.

## **9.0 PAYMENT ERRORS**

- 9.1 In the event that COUNTY identifies an excess payment made to CONTRACTOR, COUNTY will notify CONTRACTOR of such in writing. Upon receipt of such notice, CONTRACTOR shall within thirty (30)

calendar days, return the excess payment to COUNTY, or execute an agreement to pay within another mutually agreed upon time frame, or register a written notice of dispute, with accompanying documentation, to:

Division Chief, Revenue Enhancement  
Department of Children and Family Services  
800 South Barranca Street, 4th Floor  
Covina, CA 91732

In the event CONTRACTOR does not return payment, enter into an agreement for payment within a mutually agreed upon time frame, or register a written notice of dispute, within thirty (30) days of receipt of such notice, COUNTY may place CONTRACTOR on Do Not Refer Status, pursuant to DCFS Administrative Hold policy.

CONTRACTOR may request that any dispute under this provision be resolved pursuant to Section 48.0.

- 9.2 Upon final determination of the amount owed, if the CONTRACTOR refuses or is unable to repay the amount owed or no longer receives funds from the COUNTY, the COUNTY, at its sole discretion, may collect directly or refer the case to the appropriate COUNTY agency.
- 9.3 The COUNTY may charge interest as described in Section 8.6 if payment errors are not promptly repaid.

## **10.0 USE OF FUNDS**

- 10.1 CONTRACTOR shall be organized and operated as a Federal Tax Exempt (if applicable) non-profit corporation throughout the term of this Agreement and conduct itself in accordance with all accounting and operating requirements of such status.
- 10.2 CONTRACTOR shall use AFDC-FC funds paid to and Expended by CONTRACTOR only for the care and Services of Placed Children, in order to maintain the standards of care and Services consistent with the Statement of Work and the AFDC-FC payments received. By August 1 of each year, CONTRACTOR shall submit to COUNTY a cost allocation plan, which provides for the reasonable allocation of CONTRACTOR's Expenditures for the then current fiscal year. CONTRACTOR's cost allocation plan shall be developed in accordance with the principles included in OMB Circular A-122 (Exhibit C-1) and the Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook (Exhibit D).

- 10.3 CONTRACTOR shall Expend foster care funds on reasonable and allowable Expenditures in providing the necessary care and Services, as specified in this Agreement, for children placed by COUNTY. The determination of reasonable and allowable Expenditures shall be in accordance with OMB Circular A-122 (Exhibit C-1); Manual of Policy and Procedures Sections 11-400, 11-402, 11-403, 11-404, and 11-420; and 45 CFR 74.27, and the Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook (Exhibit D). Any AFDC-FC funds not Expended in accordance with the above will be disallowed on monitoring/audit, and will require repayment by CONTRACTOR. Any dispute regarding repayment of funds is subject to the provisions outlined in Section 48.0, Dispute Resolution.
- 10.4 All uses of AFDC-FC funds paid to and Expended by CONTRACTOR and other financial transactions related to CONTRACTOR's provision of Services under this Agreement are subject to review and/or audit by DCFS, Probation, COUNTY's Auditor-Controller or its designee, as set forth in Exhibits C-1 and D. In the event this Agreement is subject to audit exceptions, CONTRACTOR shall pay to COUNTY the full amount of CONTRACTOR's liability for such audit exceptions, as determined by DCFS or Probation, upon demand by COUNTY. Upon notice by CONTRACTOR, COUNTY will, upon verification by COUNTY, reduce the audit disallowance claimed by COUNTY by the amount subject to repayment to the state for duplicated disallowed Expenditures during the time period covered by COUNTY's audit.
- 10.5 Notwithstanding any other provision of this Agreement, in addition to all other rights to monitor, including but not limited to audit, CONTRACTOR and COUNTY agree that it is the intent of the parties that COUNTY shall have the right to audit any and all use of AFDC-FC funds, paid to and Expended by CONTRACTOR, in order to ensure that all Expended and unspent funds are accounted for and that unspent funds are held for the future benefit of Placed Children, and to determine the appropriate disposition of unallowable Expenditures.
- 10.6 Total accumulated unexpended funds (TAUF) shall include (1) CONTRACTOR's un-Expended funds; and (2) CONTRACTOR's accumulated, unexpended AFDC-FC funds received from COUNTY between September 1, 2003 through the expiration date of the most recently completed contract term. If facts suggest the possibility of fraud or significant abuse, COUNTY reserves the right to review uses of unexpended funds accumulated in periods prior to September 1, 2003. CONTRACTOR's TAUF shall be reflected on its Semi-Annual Expenditure Report (Exhibit O).

At the end of any given CONTRACTOR fiscal year, any TAUF that is equal to or less than two months budgeted revenues for COUNTY's Group Home program for its next fiscal year may be retained by CONTRACTOR for future use for the benefit of Placed Children for reasonable and allowable costs. The maximum level of retainable TAUF will hereafter be referred to as the TAUF Ceiling. In the event that CONTRACTOR's TAUF, at the end of any given CONTRACTOR fiscal year, exceeds the TAUF Ceiling, CONTRACTOR shall develop a plan regarding how to utilize the TAUF for the benefit of Placed Children for reasonable and allowable costs, and shall submit the plan to Director's Deputy Director level designee for review and approval within 60 Days of the fiscal year end. Section 11-404.2 through 11-404.2.24 of the State Manual of Policy and Procedure provides examples of permissible uses of unexpended funds. Said Sections may provide a guideline for permissible uses of TAUF. However, all CONTRACTOR plans for uses of TAUF require pre-approval by the COUNTY.

If the plan is not approved, CONTRACTOR shall, in consultation with COUNTY, work to develop a revised plan for TAUF excess that is acceptable to COUNTY within 30 days of denial of proposed plan. COUNTY shall respond in writing within 25 days of receipt of CONTRACTOR's revised plan. CONTRACTOR shall respond with any proposed amendments to revised plan within 15 business days of receipt of COUNTY's written response. COUNTY will issue a final plan within 5 days of receipt of CONTRACTOR's amendments.

CONTRACTOR'S failure to develop an appropriate plan for the utilization of excess TAUF, or the Expenditure of excess TAUF without a COUNTY approved plan shall constitute a material breach of the Agreement. In such instance, COUNTY may take appropriate action, pursuant to this Agreement, including, but not limited to, that under Sections 39.0, Suspension of Intake (Do Not Refer), and 40.0 (Removal of Placed Children (Do Not Use) with the understanding that CONTRACTOR may appeal the final decision pursuant to the Dispute Resolution in Section 48.0.

## **11.0 RECORDS AND AUDITS – FINANCIAL**

- 11.1 CONTRACTOR shall maintain accurate and complete financial records of all its activities and operations relating to this Agreement which are in accordance with Generally Accepted Accounting Principles and which meet the requirements for contract accounting, internal control and financial reporting as identified in Exhibit D. Such records shall include, but not be limited to, accounting ledgers, journals, canceled checks, time cards, personnel records, fringe benefit rate notices, receipts and invoices, payroll tax records, subcontracts, space and equipment lease

agreements, and other relevant accounting books, records, worksheets and logs, as appropriate for ensuring CONTRACTOR accountability of Agreement expenditures and program performance.

- 11.2 All documents identified in Section 11.1 shall be kept and maintained by CONTRACTOR and shall be made available to COUNTY during the term of this Agreement and for a period of five (5) years thereafter, unless COUNTY's written permission is given to dispose of any such material prior to such time. In the event CONTRACTOR does not make available its records within the territorial limits of County of Los Angeles, or a county contiguous thereto if CONTRACTOR's principal place of business is located in a contiguous county, CONTRACTOR agrees to pay all necessary and reasonable transportation and travel expenses incurred by COUNTY in conducting any review at the location where said records are maintained.
- 11.3 All uses of funds paid to CONTRACTOR by COUNTY for provision of services under this Agreement are subject to review and/or audit by DCFS, COUNTY's Auditor-Controller or its designee, or the State of California. Any audits conducted by COUNTY's Auditor-Controller will be conducted in accordance with protocols established by COUNTY Auditor-Controller, which shall be substantially similar to protocols set forth in Exhibit D. CONTRACTOR shall, during normal business hours, allow appropriate COUNTY, State and Federal agencies, including CDSS, and COUNTY's Auditor-Controller or its designee, to evaluate, audit, review, inspect, and monitor its accounting books and records of program operations, including the interview of CONTRACTOR's staff, insurance agents, bank personnel, board members, vendors, and subcontractors.
- 11.4 Upon request, CONTRACTOR shall provide COUNTY with copies of records and documents, including placed children's records and personnel records. CONTRACTOR shall be responsible for the cost of providing photocopies to COUNTY. COUNTY agrees to limit requests for copies of records to an as-needed basis only.
- 11.5 In the event that a fiscal audit is conducted of CONTRACTOR by COUNTY, COUNTY may send a copy of such audit to CDSS for appropriate action. If, as a result of a fiscal audit or investigation, the Director in his or her sole discretion, determines that a violation of an obligation under this Agreement has occurred or that audit exceptions, determined in accordance with Section 11.2 or Section 12.0 exist, COUNTY shall have all available remedies specified in this Agreement. Such remedies shall include placing CONTRACTOR on DO NOT REFER (Administrative) or DO NOT USE (Administrative) as set forth in Department of Children and Family Services Investigation Guidelines and Policy for Suspension of Intake and Removal of Children.

- 11.6 CONTRACTOR shall be responsible for having timely annual financial audits and/or reviews in accordance with applicable Federal and State laws and regulations.
- 11.7 All audits conducted of CONTRACTOR by a Federal or State auditor or by any independent auditor engaged by CONTRACTOR or otherwise, shall be filed with COUNTY's DCFS' Quality Assurance Division and COUNTY's Auditor-Controller's Audit Division within thirty (30) days of CONTRACTOR's receipt of the final audit report, unless otherwise provided by applicable Federal or State law. COUNTY shall maintain the confidentiality of such audit records to the extent they are not subject to disclosure under the Public Records Act. Further, COUNTY may disclose all such audit reports to other governmental agencies.
- 11.8 If the COUNTY conducts a fiscal audit of a CONTRACTOR, COUNTY shall offer CONTRACTOR an opportunity to have an exit conference, as set forth in Exhibit D, prior to issuance of the audit report.

In the event CONTRACTOR disputes any or all fiscal audit findings and recommendations, CONTRACTOR may appeal them pursuant to the Dispute Resolution as set forth in Section 48.0 of this Agreement.

- 11.9 Failure on the part of CONTRACTOR to comply with the provisions of this Section 11.0 shall constitute a material breach of this Agreement upon which COUNTY may terminate this Agreement.

#### 11.10 AUDIT SETTLEMENT

If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, authorized representatives of COUNTY conduct an audit of CONTRACTOR regarding the services provided to COUNTY hereunder and if such audit finds that COUNTY's dollar liability for such services is less than payments made by COUNTY to CONTRACTOR, then CONTRACTOR agrees that the difference, at the COUNTY's discretion, shall be either: (1) repaid forthwith by CONTRACTOR to COUNTY by cash payment; or (2) at COUNTY's option, credited against future payments hereunder to CONTRACTOR. If such audit finds that COUNTY's dollar liability for services provided hereunder is more than payments made by COUNTY to CONTRACTOR, then the difference shall be paid to CONTRACTOR by COUNTY.

## **12.0 RECORDS AND AUDITS – OTHER**

- 12.1 CONTRACTOR shall maintain and retain records on each child as required by Community Care Licensing regulations, Exhibit A Statement of Work, and Exhibit B CONTRACTOR's Program Statement. Such records shall include, but not be limited to, placement and termination documents, community service activities, extracurricular school activities, placed children's financial records (clothing, allowances, earnings, medical expenses, etc.), diagnostic evaluations and studies, child interviews, progress notes (treatment, school, medical, etc), and notes on services provided by the various professional and paraprofessional staff (treatment, recreation, child care, etc.). The records shall be in sufficient detail to permit an evaluation of services provided.
- 12.2 All such material, including, but not limited to, documents identified in Section 12.1 , shall be kept and maintained by CONTRACTOR and shall be made available to COUNTY during the term of this Agreement and for a period of five (5) years thereafter, unless COUNTY's written permission is given to dispose of any such material prior to such time. In the event the CONTRACTOR does not make available its records within the territorial limits of the COUNTY of Los Angeles, or a county contiguous thereto if CONTRACTOR's principal place of business is located in a contiguous county, CONTRACTOR agrees to pay all necessary and reasonable transportation and travel expenses incurred by COUNTY in conducting any review at the location where said records are maintained.
- 12.3 Pursuant to the Terms and Conditions of this Agreement, the COUNTY may inspect and conduct investigations of the CONTRACTOR's program operations, without prior notice to CONTRACTOR, seven days a week, 24 hours a day. COUNTY also retains the right to conduct audits to ensure that children referred to CONTRACTOR are being provided services in accordance with this Agreement. Procedures for such investigations and program audits are set forth in Exhibit D. Such guidelines and procedures may include a scoring continuum which reflects percentage findings of aggregated elements within a review category. While COUNTY and Providers commit to an ongoing collaborative process and a good faith effort to develop CTF program review guidelines and procedures which are acceptable to CTF providers, COUNTY reserves the right to make the final determination of the content of such guidelines and procedures. Once such guidelines and procedures are developed, Exhibit D will be amended accordingly and any further program inspections and investigations will be conducted consistent with such guidelines and procedures. In the event that such guidelines and procedures have not been developed within ninety (90) days following implementation of this Agreement, program audits will be discontinued until the guidelines and procedures are in place.

- 12.4 Upon request, CONTRACTOR shall provide COUNTY with photocopies of records and documents, including children's records and personnel records. CONTRACTOR shall be responsible for the cost of providing photocopies to the COUNTY. The COUNTY agrees to limit requests for copies of records to an as needed basis only.
- 12.5 In the event that an audit is conducted of CONTRACTOR by COUNTY, COUNTY may send a copy of such audit to CDSS for appropriate action. If, as a result of an audit or investigation, the Director in his/her sole discretion determines that a violation of an obligation under this Agreement has occurred or that audit exceptions, determined in accordance with Sections 6.1, 11.2 and this Section 12.0, exist, CONTRACTOR shall pay to COUNTY the full amount of CONTRACTOR's liability for such violations or audit exceptions upon demand by COUNTY and COUNTY shall have available all remedies specified in this Agreement.

### **13.0 CONTRACT COMPLIANCE AND PROGRAM INVESTIGATIONS**

- 13.1 COUNTY may inspect and conduct investigations of CONTRACTOR's program operations and contract compliance without prior notice to CONTRACTOR, seven days a week, 24 hours a day. COUNTY retains the right to do audits to ensure that placed children referred to CONTRACTOR are being provided services in accordance with this Agreement. Program review guidelines and procedures are set forth in COUNTY'S DCFS Investigation Guidelines, a copy of which CONTRACTOR acknowledges receipt.
- 13.2 Such reviews and/or audits shall encompass all of CONTRACTOR's financial, program, employees, subcontractors and placed children's records related to services provided under this Agreement, and any other financial transactions, as determined necessary to ensure that AFDC-FC and CGF funds have been accounted for and expended in accordance with the regulations set forth in Section 10.2.
- 13.3 CONTRACTOR shall maintain and retain records on each placed child as required by Community Care Licensing regulations, Exhibit A Statement of Work, and Exhibit B CONTRACTOR's Program Statement. Such records shall include, but not be limited to, placement and termination documents, medical and dental records, placed children's financial records (clothing, allowances, earnings, medical expenses, etc.), diagnostic evaluations and studies, placed child interviews, social worker progress notes (including treatment, school, extracurricular activities at school or in the community, etc.), and notes on services provided by the various professional and paraprofessional staff (treatment, recreation, child care, etc.). The records

shall be in sufficient detail to permit an evaluation of services provided. All such documents shall be kept and maintained by CONTRACTOR for the period of time services are rendered the placed child and for at least five (5) years following termination of services to the child.

- 13.4 In the event a Program Director determines in his/her sole discretion that a violation of an obligation under this Agreement, or breach of any provision hereof, as a result of a program audit or investigation conducted pursuant to Section 11.0, has occurred, COUNTY and CONTRACTOR shall have all of the rights and remedies set forth below unless such violation or breach is determined, by a Program Director, in his/her sole discretion, to pose a health or safety risk to any placed child or children in which case COUNTY may enforce remedies in accordance with Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use), of this Agreement. CONTRACTOR may also request to meet with the Out-of-Home Care Division Chief. For violations that are determined not to pose a health or safety risk, the following remedies will be applied in sequence:

13.4.1 CONTRACTOR will be required to cure the violation or breach within a time period designated by COUNTY and to submit a Corrective Action Plan (CAP) in accordance with Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use).

13.4.2 If CONTRACTOR fails to submit and/or implement a CAP or otherwise satisfactorily cure the violation or breach, COUNTY may place CONTRACTOR on "Do Not Refer" (Administrative) as provided in Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use), until such time as the violation or breach has been satisfactorily cured.

13.4.3 If CONTRACTOR fails to submit and/or implement a CAP or otherwise satisfactorily cure the violation within thirty (30) days of the Do Not Refer action, COUNTY may place CONTRACTOR on "Do Not Use" (Administrative) and remove placed children as provided in Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use), or take any and all such actions, at law or in equity, including, but not limited to, the termination of this Agreement as set forth herein, as deemed appropriate by COUNTY.

13.4.4 The parties acknowledge and agree that, in considering CONTRACTOR'S obligations, Federal law regarding special education rights of students, including status quo, "right to stay pending," and "stay put orders" must be complied with.

13.5 In the event that COUNTY believes there is any violation or breach of any Title 22 licensing requirement or Title 9 CTF requirement, COUNTY may refer the violation to the Community Care Licensing Division of the California Department of Social Services, and the State Department of Mental Health for appropriate action, including the imposition of any applicable fines and penalties.

## **14.0 FINANCIAL REPORTING**

14.1 CONTRACTOR shall report and reconcile quarterly the actual \$2,500 per child CTF revenues with actual quarterly revenues and expenditures on the Expenditure Report in accordance with CONTRACTOR's approved budget. CONTRACTOR shall submit such Expenditure Reports to:

Department of Children and Family Services  
Finance Services Division  
425 Shatto Place, Room 204  
Los Angeles, CA 90020

The Expenditure Report shall be submitted no later than sixty (60) calendar days following the last day of the quarter for which it is due. In the event Expenditure Reports are not received timely by COUNTY, COUNTY may place CONTRACTOR on DO NOT REFER (Administrative), subject to exceptions for good cause as determined by COUNTY, until Expenditure Reports are received. The quarterly report will apply for CTFs and replaces the Semi-Annual Expenditure Report.

14.2 COUNTY total financial obligation to CONTRACTOR shall not exceed verified expenditures incurred by CONTRACTOR. If actual costs as identified in quarterly expense statements are significantly below (no less than 10%) the CONTRACTOR's RCL rate plus CGF amount, the parties shall meet to review the variance. If actual costs continue significantly below, without satisfactory explanation, COUNTY may modify its total financial obligation.

14.3 Contractor shall reconcile all revenues received as referenced in Section 8.1 to actual allowable costs for services and supervision which are not otherwise reimbursable from other resources in excess of RCL 14. The reconciliation shall be submitted according to the provisions of Section 14.1 within 60 calendar days following the last day of the Agreement

period. Any overpayment due to the County shall be paid to the County according to the provisions of Section 15.0.

## **15.0 OVERPAYMENT**

- 15.1 CONTRACTOR agrees that when a sustained overpayment, as described in WIC 11466 et seq. is identified, CONTRACTOR shall repay to the State or COUNTY within 30 calendar days at the end of each quarterly period the amount of the overpayment including interest in accordance with WIC 11466 et seq.
- 15.2 Failure by the CONTRACTOR to make payments as required in a repayment agreement between the State and the CONTRACTOR for the payment of sustained overpayments may result in placing CONTRACTOR's agency on "Do Not Refer" status by COUNTY until the overpayment has been repaid.

## **16.0. SUBCONTRACTING**

- 16.1 COUNTY and CONTRACTOR acknowledge and agree that CONTRACTOR may subcontract for provision of social work, therapy and other specific services to be provided to placed children hereunder. Such subcontracting shall be close in conformance within the provisions of this Section 16.0.
- 16.2 All of the provisions of this Agreement and any Amendment(s) hereto shall extend to and be binding upon subcontractors, provided that assignment or delegation of rights under a subcontract by subcontractors shall not require County approval. The CONTRACTOR shall include in all subcontracts the following provision: "This Agreement is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties contained in this subcontract shall inure to the benefit of the County of Los Angeles."
- 16.3 CONTRACTOR shall indemnify and hold COUNTY harmless from any and all liability arising or resulting from the use of any subcontractor and its employees in the same manner and to the same extent that CONTRACTOR indemnifies COUNTY from any and all liability arising from or resulting from the actions or omissions of its own employees.
- 16.4 CONTRACTOR shall obtain the following from each subcontractor before any subcontractor employee may perform any work under any subcontract to this Agreement. CONTRACTOR shall maintain and make available upon request of Program Manager all the following documents.

- 16.4.1 An executed Employee Acknowledgment and Contractor Non-Employee Confidentiality Agreement (see Exhibit C), executed by each subcontractor and each of subcontractor's employees approved to perform work hereunder.
- 16.4.2 Certificates of insurance which establish that the subcontractor maintains all the programs of insurance required by Section 34.0 of this Agreement (Insurance), and
- 16.4.3 The Tax Identification Number of the subcontracting agency, to be placed on the signature page of the subcontract. This Tax Identification Number shall not be identical to the CONTRACTOR's Tax Identification Number.
- 16.5 CONTRACTOR shall provide COUNTY's Program Manager with copies of all executed subcontracts.
- 16.6 No subcontract shall alter in any way any legal responsibility of CONTRACTOR to COUNTY. CONTRACTOR shall remain responsible for any and all performance required of it under this Agreement, including, but not limited to, the obligation to properly supervise, coordinate, and perform all work required hereunder.
- 16.7 Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.
- 16.8 CONTRACTOR shall be solely liable and accountable for any and all payments and other compensation to all subcontractor's engaged hereunder and their officers, employees, and agents. COUNTY shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractor or their officers, employees, and agents.

## **17.0 ASSIGNMENT BY CONTRACTOR**

- 17.1 CONTRACTOR shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of COUNTY, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Section 17.1, COUNTY consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties. Any payments by COUNTY to any approved delegate or assignee on any claim under the Agreement shall be deductible, at COUNTY's sole discretion, against the claims, which CONTRACTOR may have against COUNTY.

17.2 Shareholders, partners, members, or other equity holders of CONTRACTOR may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of CONTRACTOR to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of COUNTY in accordance with applicable provisions of this Agreement.

COUNTY OF LOS ANGELES COUNTY  
DEPARTMENT OF CHILDREN AND FAMILY SERVICES, AND  
DEPARTMENT OF MENTAL HEALTH  
COMMUNITY TREATMENT FACILITY AGREEMENT

**STATEMENT OF WORK**

**A. PREAMBLE**

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- |                   |                         |
|-------------------|-------------------------|
| ➤ Responsiveness  | ➤ Integrity             |
| ➤ Professionalism | ➤ Commitment            |
| ➤ Accountability  | ➤ A Can-Do Attitude     |
| ➤ Compassion      | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities,

infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.

- ✓ County agencies and their partner create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

#### Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

#### Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

#### Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area

- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

Allowances may be increased beyond this base amount according to a point/levels/rewards behavioral control system.

### 19.2 Savings

The CONTRACTOR may encourage the placed child to save for a particular purchase that is not provided by the CONTRACTOR or to accumulate a savings account. However, beyond supervision of spending for appropriateness for age, safety and health, CONTRACTOR shall permit placed child to spend his/her allowance, as the placed child desires.

### 19.3 Earnings

The placed child's earnings may be applied toward special clothing items, tools and other personal property above the basic services contracted for herein. Court ordered restitution can be withheld from the earnings of a ward of the Juvenile Court only. CONTRACTOR shall encourage placed youth age fourteen (14) and older to save their earnings for emancipation.

The CONTRACTOR shall work with the COUNTY Worker and placed child to mutually agree on the method of securing and use of the placed child's earned income including opening a bank account if appropriate.

## **20.0 CHORES**

### 20.1 Routine Chores

The CONTRACTOR shall indicate in Exhibit B - CONTRACTOR's Program Statement, which chores a placed child will be required to do as part of their regular responsibilities. CONTRACTOR shall appropriately supervise placed children while they are doing chores.

## 20.2 Optional Chores

The CONTRACTOR shall indicate in Exhibit B - CONTRACTOR's Program Statement which chores a placed child may do on a voluntary basis for compensation, usually as part of an incentive/behavior modification program. CONTRACTOR shall appropriately supervise placed children while they are doing chores.

## 20.3 Optional Chore Log

The CONTRACTOR shall comply with Exhibit B - CONTRACTOR's Program Statement description of routine chores or which chores are optional or for compensation. In addition, the CONTRACTOR shall maintain an optional chore log indicating the placed child, date, chore(s), hours worked and compensation.

## **21.0 FOOD**

CONTRACTOR shall provide meal service, snacks, and a balanced diet as defined in Division 6, Chapter 1, Section 80076 and Chapter 5, Section 84076 of Title 22 regulations.

Placed children shall participate in menu planning. CONTRACTOR shall make additional servings available at meal times. CONTRACTOR shall inform COUNTY Worker when special dietary needs arise due to medical problems/conditions.

## **22.0 CLOTHING**

Clothing shall fit and shall not be too small or more than two sizes larger than actual measurements. The clothing shall be clean, in good repair and appropriate for the intended use and season, including the school dress code. In no event shall CONTRACTOR provide other than new undergarments or shoes for each placed child. The CONTRACTOR shall include in the program statement a plan acceptable to the COUNTY that regularly involves the placed child in the selection and purchase of his/her own clothing and meets the minimum monthly clothing allowance and the on-hand clothing amount as specified in DCFS 2281.

The clothing is the property of the placed child and shall be retained by the placed child or his/her representative upon termination of placement.

CONTRACTOR shall provide for laundry, dry cleaning and mending of clothing in accordance with CONTRACTOR's Program Statement.

The parent(s) is responsible for the clothing supply and clothing maintenance of a Chapter 26.5 resident.

#### 22.1 Standard for Clothing

The standards for clothing for placed children are indicated in DCFS form number 2281.

#### 22.2 Clothing at Placement

When a child is placed in CONTRACTOR's facility, COUNTY will ensure that the child has at least 4 outfits as defined in DCFS 2281. COUNTY will provide to CONTRACTOR up to the maximum clothing allowance for each placed child who has less than 4 outfits at the time of placement.

#### 22.3 Meeting Full Clothing Standard

The CONTRACTOR shall ensure that each placed child has 7 outfits within 30 days of initial placement, 10 outfits within 60 days of initial placement, and 12 outfits within 120 days of initial placement as defined in the DCFS 2281 Clothing Standard.

#### 22.4 Children's Funds for Clothing

The CONTRACTOR shall provide each placed child with clothing without requiring the placed child to purchase clothing with his/her own funds. Notwithstanding limitations of Sections B.19.0, Allowance and Bank Accounts, B.22.0, Clothing, and B.23.0, Personal Needs, of this Statement of Work, when an expensive item(s) is desired that is not within the CONTRACTOR's budget allocation for the provision of sufficient clothing, the placed child may volunteer to supplement the budget to purchase the desired item(s).

#### 22.5 CONTRACTOR's Ongoing Clothing Allocation

The CONTRACTOR shall include in their program statement a plan acceptable to the COUNTY to provide a regular monthly clothing allocation, in the amount of at least \$50, from the AFDC-FC payment to be spent on clothing.

After reaching the Clothing Standard, the \$50 can be spent on clothing and/or accessories.

After reaching the Clothing Standard, the placed child may decide to carry over one month's clothing allowance for use in the following

month, which provides a banked maximum of \$100.00 for additional clothing of the child's choice.

#### 22.6 CONTRACTOR's Ongoing Clothing Inventory

CONTRACTOR shall maintain both a written inventory of each placed child's clothing and clothing receipts with description of item(s) purchased for each placed child written on each receipt. CONTRACTOR shall update clothing inventories whenever clothing items are added from any source or removed for any reason from the placed child's clothing supply.

#### 22.7 Storage/Security of Clothing During Placement

The CONTRACTOR shall provide for the storage and security of each placed child's clothing during the entire term of placement. CONTRACTOR may label placed child's clothing for identification purposes.

CONTRACTOR shall provide a lock or other secure means to protect the placed child's clothing and other personal property. CONTRACTOR shall retain a duplicate key to access the storage area as needed.

Notwithstanding the provisions of this Section, it is understood that clothing often disappears, particularly during home visits, and that clothing security is not entirely within CONTRACTOR's control. All losses will be documented as part of the clothing inventory, including a brief description of the circumstances involved and action taken by the CONTRACTOR, which will be taken into consideration during audits. Repeated instances of clothing loss should be reported to the COUNTY Worker.

#### 22.8 Storage/Security of Clothing/Personal Belongings Upon Termination of Placement

Within one (1) day of the placed child's departure, the CONTRACTOR shall collect, inventory, secure and store for up to 21 calendar days the clothing of a child who, for any reason, has left the CONTRACTOR's program.

CONTRACTOR agrees to maintain adequate procedures to prevent loss, theft, and/or unauthorized removal of a placed child's clothing. CONTRACTOR shall be responsible for replacing any preventable losses.

After 21 days, CONTRACTOR shall contact COUNTY Worker to determine if clothing is to be mailed to the COUNTY at COUNTY's expense (or to the parent(s) at the parent's expense of a Chapter 26.5 child).

#### 22.9 Special Clothing Needs

CONTRACTOR shall plan with the placed child and arrange for the purchase of school uniforms, when appropriate, sports clothing, sports equipment, special occasion clothing, and other necessary items for dances, proms, and graduation.

Personal care/hygiene items shall be provided with consideration given to specific cultural and ethnic needs.

#### 23.1 Personal Care Items

The CONTRACTOR shall provide each child with his/her own new toothbrush, comb, deodorant and other personal hygiene items, and cover the cost of purchasing specific brands for health reasons as deemed necessary. The CONTRACTOR shall also provide toothpaste, soap, shampoo, hair care items, etc. for health, grooming and personal hygiene and replacement of combs, toothbrushes (as recommended by dentist), deodorant, etc., as needed.

CONTRACTOR shall offer placed children full choice among brands, as long as cost is reasonable.

CONTRACTOR shall not purchase or allow products in aerosol or glass containers.

#### 23.2 Linens

The CONTRACTOR shall provide sufficient clean towels, face cloths, and sheets on at least a weekly basis. CONTRACTOR shall provide clean and serviceable blankets, bedspreads and window treatment(s) on at least a quarterly basis.

CONTRACTOR shall immediately replace worn, torn or frayed towels, sheets, blankets, bedspreads, and window treatment(s).

## **24.0 SUPERVISION**

24.1 CONTRACTOR shall comply with staff-to-child ratios as defined in Division 6, Chapter 5, Sections 84165.5-84165.6 of Title 22 and CONTRACTOR's program statement to provide the staff necessary to meet each placed child's needs and to provide supervision. As stated in Section 84065.5(c), "If the children require special care and supervision because of age, problem behavior or other factors, the number of on-duty child care staff shall be increased to meet the needs of the children in accordance with Section 80065(a)."

### **24.2 Know Child's Whereabouts and Responsible Staff**

CONTRACTOR and CONTRACTOR's staff shall know the whereabouts of placed children according to resident log and be able to identify who is responsible for supervision. Placed children may leave the facility, unaccompanied for specific purposes, in accordance with case plan which has been pre-approved by COUNTY and as long as approved by CONTRACTOR or designee and documented in the log.

### **24.3 Resident Sign-in/Sign-out Log**

CONTRACTOR shall maintain a sign-in/sign-out log for placed children who leave the facility for any reason other than regularly scheduled work, school, or group activities of the CONTRACTOR. This log shall include the name of the child, his/her destination, the time he/she left the facility, the anticipated time of return, and the name and telephone number of the person who is responsible to supervise the resident while he/she is away from the facility (unless the COUNTY Worker has authorized unsupervised passes).

## **25.0 STAFFING**

CONTRACTOR agrees to provide appropriate staffing for program level in compliance with CDSS Rate Classification Level (RCL), CCL regulations, and the CONTRACTOR's program statement. CONTRACTOR agrees to provide COUNTY access to all related records available to CCL.

## **26.0 HOUSING AND LIVING ENVIRONMENT**

26.1 In addition to the requirements of Division 6, Chapter 1, Sections 80087-80088 and Chapter 5, Sections 84087-84088 and 84187-84188 of Title 22, CONTRACTOR shall provide all placed children with a safe, well-maintained, appropriately furnished and decorated,

home-like environment. All furniture and appliances shall be well maintained and in good working condition.

**COUNTY FISCAL AUDIT PHASES, FISCAL AUDITS OF COMMUNITY TREATMENT  
FACILITY CONTRACTORS  
AND AUDITOR-CONTROLLER COMMUNITY TREATMENT FACILITY CONTRACT  
ACCOUNTING AND OPERATING HANDBOOK**

**COUNTY FISCAL AUDIT PHASES, FISCAL AUDITS OF COMMUNITY TREATMENT  
FACILITY CONTRACTORS**

**I. Overview**

To minimize delays and to increase understanding of the fiscal auditing process by COUNTY and the Community Treatment Facility Contractor (referred to herein as CONTRACTOR), the following is a description of the fiscal audit protocols followed by the Auditor-Controller (A-C), the Department of Children and Family Services (DCFS), and the Department of Mental Health (DMH), herein referred to as COUNTY, unless referred to separately, during fiscal audit reviews. All specified timeframes are estimated, and actual timeframes may differ depending on COUNTY staffing, workload, and coordination of scheduling with each CONTRACTOR. The period(s) to be audited shall be consistent with the Contractor's accounting year-end.

**II. Purpose of Fiscal Audit Review**

The purpose of the fiscal audit review will be to determine whether, pursuant to the Agreement, Community Treatment Facility monies are appropriately accounted for and Expended on reasonable and allowable Expenditures in providing the necessary care and services for children placed by COUNTY and served by CONTRACTOR. A-C staff also evaluates the adequacy of CONTRACTOR's accounting records, internal controls, and compliance with the Agreement and applicable federal and State regulations governing the disbursement of foster care funds.

**III. Applicable Regulations**

We refer to the following guidelines and regulations in conducting our fiscal audits:

County Community Treatment Facility Agreement, including Exhibit D, Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook

Federal Office of Management and Budget Circular A-122, Cost Principles for Non-Profit Organizations

California Department of Social Services Manual of Policies and Procedures

California Code of Regulations, Title 22

**IV. Notification of Review**

A-C staff will contact CONTRACTOR's representatives to notify them of the fiscal audit review and to arrange for an entrance conference. Absent extenuating circumstances, the entrance conference is to be held within 15 calendar days of this initial notification or at a mutually agreeable time. A letter will be sent to

CONTRACTOR confirming the scheduled entrance conference date, time and location, and applicable documents that need to be available for review. COUNTY will be sent a copy of the confirmation letter.

**V. Entrance Conference**

Prior to the entrance conference, A-C staff will have reviewed the CONTRACTOR's Program Statement and Agreement to become familiar with the program and to identify questions or issues to be addressed or clarified during the entrance conference.

The entrance conference permits the CONTRACTOR and the A-C staff to discuss the scope of the review. A-C staff will introduce themselves, give a brief summary of the review objectives, discuss CONTRACTOR operating hours, work space, and CONTRACTOR's fiscal audit contact person, and perform an inventory of the CONTRACTOR's records requested in the confirmation letter. CONTRACTOR should ensure appropriate fiscal personnel are in attendance to answer any questions and discuss any concerns and problems encountered with CONTRACTOR records.

**VI. Preliminary**

The preliminary work will start after the entrance conference. This phase is an educational process for A-C staff. All requested documentation must be made available to the A-C Staff, including but not limited to, employee records, children's case files containing clothing and food receipts, and those records identified in Section 11.0, Records and Audits-Financial, Section 12.0, Records and Audits-Other, and Section 13.0, Contract Compliance and Program Investigations , of the Agreement.

Preliminary work will consist of becoming familiar with CONTRACTOR's accounting system and financial and accounting records, and evaluating its system of internal controls. From this work, A-C staff will determine how the records will be tested and the extent of detailed testwork that will be performed in each area (i.e., billings, salaries, non-personnel expenditures, etc.).

It is important for CONTRACTOR to have its financial and accounting records available or prepare final schedules detailing all financial activities of CONTRACTOR for the fiscal audit review period. This will expedite the review and provide A-C staff with the population of transactions subject to review.

**VII. Detailed Field Work**

The detailed fieldwork is an extension of the preliminary work and involves a more in-depth review of accounting and financial records, documents and transactions. A-C staff will be requesting information from CONTRACTOR in the various areas under review. The duration of detailed fieldwork varies and may

take from a few weeks to several months to complete, depending on CONTRACTOR availability, condition of, and availability of the account records, and other variables.

Preliminary findings will be verbally discussed with CONTRACTOR during this stage of the review.

#### **VIII. Summary of Preliminary Results**

Upon completion of the fieldwork, CONTRACTOR will be provided a summary of the preliminary results to allow the CONTRACTOR to comment, and ensure all relevant documentation has been obtained. Absent extenuating circumstances, a due date of no less than ten (10) business days, from the date CONTRACTOR is provided a summary of preliminary results, will be set by the A-C staff for CONTRACTOR to present additional documentation in response to the summary of preliminary results. Documentation provided after the due date may not be reflected in the draft fiscal audit report and/or may delay completion of the fiscal audit process.

#### **IX. Preliminary Draft Fiscal Audit Report/Pre-exit Meeting**

Within 30 calendar days of the due date for receipt of additional information from CONTRACTOR, A-C staff will issue to CONTRACTOR a preliminary draft fiscal audit report, which contains preliminary draft findings and recommendations. The preliminary draft fiscal audit report will be faxed/mailed to the CONTRACTOR's Executive Director. A copy of the preliminary draft fiscal audit report will be provided to COUNTY.

After receipt of the preliminary draft fiscal audit report, CONTRACTOR may request a pre-exit meeting with COUNTY staff to discuss the preliminary draft fiscal audit report. If CONTRACTOR desires a pre-exit meeting, CONTRACTOR must submit its request in writing to the A-C either by letter, or via electronic mail, within 15 calendar days following receipt of the preliminary draft fiscal audit report. If CONTRACTOR does not request a pre-exit meeting in writing within the allowable time period, CONTRACTOR will be deemed to have waived the right to a pre-exit meeting.

If CONTRACTOR and COUNTY hold a pre-exit meeting:

\*The pre-exit meeting will be held in person or if mutually agreed upon, by telephone, and participants will include the A-C, DCFS, Probation, DMH, and CONTRACTOR's staff/management and non-legal representatives who are knowledgeable of the events in relation to the preliminary draft fiscal audit report being discussed.

At the pre-exit meeting, CONTRACTOR may provide additional documentation related to the findings and recommendations included in the preliminary draft

fiscal audit report. After the pre-exit meeting, COUNTY staff will review the documentation and determine its effect, if any, on the findings and recommendations. COUNTY staff will revise the preliminary draft fiscal audit report, as COUNTY determine appropriate. The preliminary draft fiscal audit report updated for any revisions deemed appropriate by the COUNTY will herein be referred to as the exit draft fiscal audit report.

NOTE: In general, COUNTY will not review any additional documentation, which CONTRACTOR provides, related to the findings and recommendations in the preliminary draft fiscal audit report, at any time subsequent to the pre-exit meeting. However, in the event extenuating circumstances exist, COUNTY may at their sole discretion, consider additional documentation submitted subsequent to the pre-exit meeting. CONTRACTOR should therefore be sure to provide all information, which it deems relevant at the pre-exit meeting to ensure that it is taken into consideration.

If CONTRACTOR and COUNTY do not hold a pre-exit meeting:

A-C, COUNTY will not review any additional documentation, which CONTRACTOR provides, related to the findings and recommendations in the preliminary draft fiscal audit report.

A-C and COUNTY staff will issue the exit draft fiscal audit report (see Section X Issuance of Exit Draft Fiscal Audit Report).

## **X. Issuance of Exit Draft Fiscal Audit Report**

An exit draft fiscal audit report will be prepared and sent to CONTRACTOR. CONTRACTOR will be asked to review the exit draft fiscal audit report and prepare for an exit conference, which will be scheduled within 15 calendar days of the date the exit draft fiscal audit report is received by CONTRACTOR. COUNTY will contact CONTRACTOR to schedule the exit conference.

## **XI. Exit Conference**

The purpose of the exit conference is to discuss the exit draft fiscal audit report, and the findings and recommendations contained therein, as well as any proposed wording changes, which may be sought by CONTRACTOR.

COUNTY's role at the exit conference will be to answer questions regarding COUNTY policies, and clarify administrative procedures to be followed after the COUNTY issues the final report. COUNTY personnel will defer any discussion related to the resolution of specific findings and recommendations until the final report is officially released.

In consideration of the discussions at the exit conference, the COUNTY may, in their sole discretion, make revisions to the exit draft fiscal audit report. A-C/DCFS staff will notify CONTRACTOR via phone of any revisions to the exit draft fiscal audit report. The exit draft fiscal audit report, updated for any revisions deemed appropriate by the A-C and DCFS, will herein be referred to as the final draft fiscal audit report.

## **XII. CONTRACTOR Response to Final Report**

Within thirty (30) calendar days of the date the final draft fiscal audit report is received by CONTRACTOR, CONTRACTOR shall submit a response to the findings and recommendations, via first-class mail, to the DCFS Fiscal Monitoring Section. The response should address each of the findings affecting CONTRACTOR's operations, including but not limited to compliance/internal control issues and identified questioned Expenditures, and indicate corrective actions planned or already taken. As to corrective actions planned, CONTRACTOR shall identify the dates that corrective action will be implemented and completed.

## **XIII. COUNTY Response to Final Report**

DCFS, COUNTY (or another office/agency within Los Angeles County) will evaluate the adequacy of the CONTRACTOR's written response to the final draft fiscal audit report. Within 25 calendar days of COUNTY's receipt of CONTRACTOR's written response to the final draft fiscal audit report, DCFS will provide CONTRACTOR with COUNTY's written response, which sets forth the required COUNTY corrective action plan (CAP). Should Contractor disagree with the contents of the CAP, Contractor shall submit a response to the COUNTY CAP within 15 business days via first class mail to DCFS Fiscal Monitoring Section. COUNTY will review the Contractor's response to the COUNTY CAP and issue a final required COUNTY Corrective Action Plan within 5 calendar days. Should CONTRACTOR not comply with the Corrective Action Plan, COUNTY may, in their sole discretion, exercise any and all remedies, including but not limited to placement of CONTRACTOR on Do Not Refer or Do Not Use status.

## **XIV. Final Report to the Board of Supervisors**

The COUNTY will make every effort to issue the final report, with the Contractor's response attached, to the Board of Supervisors within 60 calendar days after the issuance date of the final draft fiscal audit report. CONTRACTOR will be provided with a copy of the final report at the same time as it is issued to the Board of Supervisors. The final report along with the Contractor's response and DCFS' /DMH's CAP will be posted on the A-C website and will be deemed a public record pursuant to the Public Records Act (Cal. Govt. Code section 6250, et seq.) It is the policy of the A-C to post final reports on the website within 24 hours of issuance.

**XV. Establishment of a Repayment Plan**

Within fifteen calendar days of the date of COUNTY's response to the Final Report, CONTRACTOR, shall schedule an appointment with DCFS Fiscal Monitoring staff /DMH to sign a repayment agreement for recovery of the questioned Expenditures identified in the Final Report. CONTRACTOR shall sign the repayment agreement no later than 30 calendar days after the date of COUNTY response to the Final Report. Should CONTRACTOR not comply with the repayment plan for questioned Expenditures, COUNTY may, in their sole discretion, exercise any and all remedies, including but not limited to placement of CONTRACTOR on Do Not Refer or Do Not Use status.

**AUDITOR-CONTROLLER  
COMMUNITY TREATMENT FACILITY AGREEMENT ACCOUNTING  
AND ADMINISTRATION HANDBOOK**

The following handbook is designed for inclusion in Department of Children and Family Services Community Treatment Facility Agreements. The purpose of the handbook is to establish accounting, internal control, financial reporting, and Agreement administration standards for Community Treatment Facilities who contract with the COUNTY.

Revised :9/6/2005

**AUDITOR-CONTROLLER**  
**COMMUNITY TREATMENT FACILITY CONTRACT ACCOUNTING AND**  
**ADMINISTRATION HANDBOOK**

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (CONTRACTOR) which contract with the Los Angeles County (COUNTY).

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR'S accounting and financial reporting systems. The internal control standards described are those that apply to organizations with adequate staffing. Organizations with a smaller staff must attempt to comply with the intent of the standards and implement internal control systems appropriate to the size of their staff/organization. The CONTRACTOR'S subcontractors must also follow these standards unless otherwise stated in the Agreement.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 Basis of Accounting

CONTRACTORS may elect to use either the cash basis or accrual basis method of accounting for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

1.1 The COUNTY recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

Only accruals where cash will be disbursed within six months of the accrual date should be recorded.

Recorded accruals must be reversed in the subsequent accounting period.

- 1.2 If an agent elects to use the cash basis for recording financial transactions during the year:

Necessary adjustments must be made to record the accruals at the beginning and the end of the contract.

All computations, supporting records, and explanatory notes used in converting from cash basis to the accrual basis must be retained.

- 1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Agreement year to the extent goods and services are received during that Agreement year.

### ACCOUNTING SYSTEM

- 2.0 Each agent shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The COUNTY recommends that a Payroll Register also be maintained. Postings to the General Ledger and Journals should be made on a monthly basis. The CONTRACTOR shall maintain a separate Cost Center(s), which clearly identifies AFDC-FC funds, received and expended for the care and services of placed children under this Agreement.

- 2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

  - Contributions
  - Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (Entries in the description column must specify the source of cash receipts.)

## 2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- date
- check number
- cash (credit) column
- expense account name
- description

Note (1) Separate expense columns are recommended for salary expense and other recurring expense classifications for each program.

Note (2) Entries in the description column must specify the nature of the expense and the corresponding expense classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same expense classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed on audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. (See Section A.3.2 and B.2.4) for additional guidance.

**2.4     General Ledger**

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, Expenditures, and revenues. Separate accounts must be maintained for each COUNTY program's expenses and revenues.

**2.5     Chart of Accounts**

A Chart of Accounts shall be maintained:

The COUNTY recommends that agents use the expense account titles on the monthly invoice submitted to the COUNTY.

If the CONTRACTOR uses account titles, which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.

CONTRACTOR must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

**2.6     Payroll Register**

The COUNTY recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

Name  
Position  
Social Security Number  
Salary (hourly wage)  
Payment Record including:  
accrual period  
gross pay  
itemized payroll deductions  
net pay amount  
check number

If a Payroll Register is not used, the information in (2.6) must be recorded in the cash disbursements journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

CONTRACTOR will ensure compliance with Internal Revenue Service guidelines (IRS Publication 15A) in properly classifying employees and independent contractors.

2.7 CONTRACTOR Invoices

Each agent shall present an invoice to the COUNTY each calendar month to report the financial activity of the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the contract period. Invoices shall be prepared in the manner prescribed by the COUNTY'S contracting department.

3.0 Records

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR'S accounting records or supporting documentation shall be immediately reported to the COUNTY.

3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR'S Agreement.

3.2 Supporting Documentation

All revenues and Expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts, canceled checks and other documentation clearly establishing the nature of the Expenditure and its relevance to the COUNTY program being contracted for will be required to support an outlay of funds. (See Agreement, Section 10.3). Unsupported disbursements will be disallowed on audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs. **Photocopied invoices or receipts, any internally generated documents (i.e., vouchers, request for check forms, requisitions, canceled checks,**

**etc.), and account statements do not constitute supporting documentation for purchases.**

Supporting documentation is required for various types of Expenditures. Documentation related to some of the most frequently encountered transactions consists of, but is not limited to the following:

**Payroll** – time and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual Expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms. Personnel records shall also be maintained documenting employee pay rates. Furthermore, personnel records shall contain documentation confirming that educational and practical experience requirements of an employee's position have been met. Where licensure is a requirement of an employee's position, CONTRACTOR's personnel file shall contain documentation confirming the validity of the employee's license.

**Consultant Services** – contracts, time and attendance records, billing rates, travel vouchers detailing purpose, time and location of travel, purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided.

**Travel** – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and beginning and ending odometer readings and the resulting mileage. Vehicle mileage logs must clearly identify business versus non-business, or personal travel. Travel related to conferences should include conference literature such as agendas and handouts detailing purpose of the conference. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum COUNTY'S reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel dates. Maximum reimbursable lodging amount is the maximum COUNTY'S reimbursement rate for employees for a single occupancy hotel accommodation.

**Operating Expenses** (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary

supporting documentation. For internal control purposes, the CONTRACTOR may maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc.

**Outside Meals** - receipts and/or invoices for all meals, a record of the nature and purpose of each meal, and identification of the participants.

**Loans from Employees** - Loans to the CONTRACTOR by employees shall be supported by a written loan agreement and records documenting that the lent funds were deposited into a CONTRACTOR bank account. To the extent that the loan agreement provides for the payment of interest, the interest will not be an allowable expense under the Agreement.

### 3.3 Payments to Affiliated Organizations or Persons

CONTRACTOR shall not make payments to affiliated organizations or persons (i.e., related party transactions) for program expenses (e.g., salaries, services, rent, etc.) that exceed the lesser of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. COUNTY shall be solely responsible for the determination of affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed on audit to the extent the payments exceed the lower of actual costs or the reasonable costs for such items.

### 3.4 Filing

All relevant supporting documentation for reported program Expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- checks – numerically
- invoices – vendor name and date
- vouchers – numerically
- receipts – chronologically
- timecards – pay period and alphabetically

**3.5 Referencing**

Accounting transactions posted to the CONTRACTOR'S books shall be appropriately cross-referenced to supporting documentation. It is recommended that Expenditure transactions on the CONTRACTOR'S books be cross-referenced to the supporting documentation as follows:

invoices – vender name and date  
checks – number  
vouchers –number  
revenue – receipt number

Supporting documentation for non-payroll Expenditures (i.e., operating Expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

**4.0 Donations and Other Sources of Revenue**

Restricted donations and other sources of revenue earmarked specifically for the Agreement must be utilized on allowable Agreement Expenditures. Likewise, income from investments, where the source of the amount invested is COUNTY program funds, shall be deemed restricted revenue that must be utilized on allowable Expenditures under the attached Agreement.

**5.0 Audits**

The agent will make available for inspection and audit to COUNTY representatives, upon request, during working hours, during the duration of the Agreement and for a period of five years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the COUNTY. All such books and records shall be maintained at a location within Los Angeles County.

**6.0 Single Audit Requirements**

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the respective Circular.

A copy of any Single Audit reports must be filed with the COUNTY within the timeframes prescribed by the applicable Circular.

7.0 Subcontracts

**No CONTRACTOR shall subcontract services without the prior written consent of the COUNTY.**

**CONTRACTOR shall provide COUNTY with copies of all executed subcontracts and shall be responsible for the performance of their subcontractors.**

**B. INTERNAL CONTROLS**

Internal controls safeguard the CONTRACTOR'S assets from misappropriations, misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

1.0 Cash Receipts

1.1 Separate Fund or Cost Center

All contract revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

1.2 Deposits

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts. Checks shall be recorded on a check remittance log at the time of receipt.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable). A recommended practice would be to retain photocopies of the COUNTY warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

1.3 Separation of Duties

An employee who does not handle cash shall record all cash receipts.

1.4 Bank Reconciliations

Bank statements should be received and reconciled by someone with no cash handling, check writing, or bookkeeping functions.

Monthly bank reconciliations should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations should be signed and dated by both the preparer and the reviewer. Reconciling items should be resolved timely.

2.0 Disbursements

2.1 General

All disbursements for Expenditures, other than petty cash, shall be made by check.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature shall be required on all checks, unless otherwise specified in Agreement.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in Agreement.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent reuse or duplicate payments.

Disbursements without adequate supporting documentation will be disallowed on audit.

## 2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing of checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

## 2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due, small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the COUNTY to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, etc., then documentation shall be considered as proper supporting documentation on a basis of reasonableness. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

## 2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit cards used on behalf of the CONTRACTOR, should be limited to purchases where normal purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR'S name must be adequately protected and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. Credit card statements are not sufficient support for credit card purchases.

3.0 Timekeeping

3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by program and total hours charged to each of the CONTRACTOR'S programs. Time estimates do not qualify as support for payroll Expenditures and will be disallowed on audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time.

3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals.

Personnel and payroll records should include (but not be limited to) the following:

- Employee's authorized salary rate
- Employee information sheet
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license, etc.)
- Performance evaluations
- Criminal record clearance
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)

Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

### Limitations on Positions and Salaries

The CONTRACTOR shall pay no salaries higher than those authorized in the Agreement, or the attachments thereto, including this Auditor-Controller Community Treatment Facility Agreement Accounting and Administration Handbook (Exhibit D), except as proscribed by state or federal law.

For purposes of establishing a reasonable level of compensation for CONTRACTORS personnel, COUNTY may refer to the Child Welfare League of America (CWLA) Salary Study, or other regionally recognized salary studies for non-profit social service agencies. Salary studies which are both regionally and nationally recognized are preferred.

If an employee serves in the same or dual capacities under more than one Agreement or program, the employee may not charge more than 100% of their time to the Agreements or programs taken as a whole.

Salaried employees who work less than full-time (i.e., 40 hours per week) shall be paid a salary that corresponds with the employee's work schedule.

The salary expense of salaried employees working on more than one Agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR will make no retroactive salary adjustment for any employee without written approval from the COUNTY.

### Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, shall be approved by authorized persons independent of payroll functions.

All employee hires and terminations, or pay rate changes shall be approved in writing by authorized persons independent of payroll functions.

## 4.0 Fixed Assets

A fixed asset is defined as an article of nonexpendable tangible personal property having a useful life of more than two years. The COUNTY

recommends all fixed assets with an acquisition cost of \$5,000 or more per unit be capitalized.

Acquisition cost means the net invoice unit price of an item, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

**4.1 Acquisition**

Fixed asset purchases shall be approved by the Agency's Board of Directors or their authorized representative.

**4.2 Identification and Inventory**

All fixed assets purchased with Agreement funds are to be used solely for the benefit of the Agreement and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and sources of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

**4.3 Security**

Physical security should be adequately maintained over fixed assets to prevent misuse and theft of COUNTY property.

**4.4 Property Management**

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all non-expandable property purchased, leased, or rented with Agreement funds.

The CONTRACTOR shall report promptly, in writing, to the COUNTY all cases of theft, loss, damage, or destruction of fixed assets purchased with COUNTY funds. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and, where appropriate, a copy of the law enforcement report.

CONTRACTOR shall dispose of or return to the COUNTY all fixed assets, in accordance with their Agreement.

**5.0 Bonding – All officers, employees, and agents who handle cash or have access to the agent's funds shall be bonded.**

- 6.0 Investments – COUNTY program funds may not be utilized on investments where there is a risk of loss.

**C. COST PRINCIPLES**

1.0 Policy

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR providing services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR shall comply with the Agreement and OMB Circular A-122 “Cost Principles for Non-Profit Organizations”. The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the COUNTY prior to incurring the cost.

1.2 Expenses Incurred Outside the Agreement Period

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination date. Similarly, current period expenses related to events or activities that occurred prior to the effective date of the Agreement may not be allowable. For example, any legal costs incurred prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Community Treatment Facility Agreement between CONTRACTOR and COUNTY would not be allowable. Legal costs discussed in this paragraph shall not include those covered under OMB Circular A-122, Attachment C-1.

1.3 Budget Limitation

Total agency Agreement expenses may not exceed the maximum Agreement budget.

1.4 This Section Intentionally Left Blank

1.5 Necessary, Proper and Reasonable

Only those Expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 Allocation of Cost Pools

For CONTRACTORS that provide services in addition to the services required under contract, the CONTRACTOR shall allocate Expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular, agencies shall define their allocable costs as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation related to the allocation of expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated costs be charged to an extent greater than 100% of actual costs or the same cost be charged both directly and indirectly.

2.1 Direct Costs

Direct costs are those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on employees' timecards and the payroll expense should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity), which can be distributed in reasonable proportion to the benefits received, may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other equitable methods of allocation

## 2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

Total direct salaries and wages  
Total direct costs (excluding capital Expenditures and other  
distorting items such as subcontractor payments)

## 2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars describe the following allowable methods for allocating indirect costs:

Simplified allocation method  
Direct allocation method  
Multiple allocation base method  
Negotiated indirect cost rate

### Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

### Example

|  |                 |
|--|-----------------|
| Agency-wide indirect costs                 | \$250,000       |
| Less: Capital Expenditures                 | <u>10,000</u>   |
| Allocable indirect costs                   | 240,000         |
| Total agency-wide indirect salaries        | \$1,000,000     |
| Indirect cost rate (\$240,000/\$1,000,000) | 24%             |
| Program direct salaries                    | \$100,000       |
| Program indirect costs (24% x \$100,000)   | <u>\$24,000</u> |

### Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rental, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

### Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

## 2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by COUNTY.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by COUNTY. The Cost Allocation Plan shall be prepared in accordance with COUNTY instructions and the applicable OMB Circular and include the following information:

CONTRACTOR general accounting policies:

Basis of accounting (cash or accrual)

Fiscal year

Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)

indirect cost rate allocation base

Identify the CONTRACTOR'S direct and indirect costs (by category) and describe the cost allocation methodology for each category.

Signature of CONTRACTOR management certifying the accuracy of the plan.

Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their Federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

**D. UNALLOWABLE COSTS**

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

Any Expenditures, or un-Expended funds, found to be unallowable by any federal or state agency authorized to review the Expenditures or un-Expended funds. To the extent that any federal or state agency seeks collection of unallowable Expenditures or un-Expended funds, COUNTY will not review and/or seek collection of those Expenditures or un-Expended funds.

- Bad debts
- Contingency provisions
- Contributions and donations
- Fines and penalties (e.g., NSF Check Fees, Traffic Citation Fees)
- Fundraising activities
- Interest expense (unless expressly allowed by Federal guidelines)
- Losses on other awards
- Legal and professional expenses, which are incurred defending against COUNTY claims for repayment of questioned costs identified in Fiscal Audits, are allowable only as permitted by OMB Circular A-122.

**E. OVERPAYMENTS**

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the COUNTY and used as a basis for payments to the CONTRACTOR were inaccurate, COUNTY shall determine the total overpayment and require the CONTRACTOR to repay COUNTY. The COUNTY may withhold payments from CONTRACTOR'S future payments for any amounts not returned to the COUNTY or credited to the Agreement unless otherwise prohibited by State or federal regulations.

**F. MISCELLANEOUS REQUIREMENTS**

**1.0 Insurance**

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify COUNTY when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

**2.0 Activity**

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

**Referral:** The point at which the CONTRACTOR receives any documents from the COUNTY Worker with information necessary for the CONTRACTOR to make an assessment of the CONTRACTOR's ability to meet the placement needs of a placed child, such as the pre-placement packet of information.

**Service(s):** The basic needs the CONTRACTOR agrees to provide for each placed child as outlined in the California Department of Social Services Regulations, Exhibit A, Statement of Work and Exhibit B, CONTRACTOR's Program Statement.

**Shall:** From a legal standpoint, "shall" means mandatory obligation to fulfill a stated function.

**AGREED UPON INTERAGENCY PLACEMENT  
SCREENING COMMITTEE GUIDELINES**

The parties acknowledge the POLICY AND GUIDELINES FOR LOS ANGELES COUNTY INTERAGENCY PLACEMENT SCREENING COMMITTEE, which will apply to placements to the CTF at Star View. In order to emphasize the placement process as it affects the Star View CTF under this Agreement, the parties have set forth in this Exhibit the following understanding and agreement. The parties incorporate the following language from the POLICY AND GUIDELINES as part of their Agreement. Any modification of this portion of the GUIDELINES as they pertain to this Agreement will require the written agreement of the parties and the expressed approval of the Board of Supervisors.

The parties also understand and acknowledge that these criteria are being applied to the Star View facility in Torrance because of Star View's particular characteristics: the facility's location in the middle of a residential neighborhood; the age of the Star View facility; the facility was not originally designed for nor previously operated as a completely locked-down facility; and that the City of Torrance would otherwise require a major modification to the facility's existing conditional use permit prior to allowing the facility to be operated as a residential treatment facility. The parties understand and agree that it is the intent of this Agreement that the Star View facility will not increase its capacity beyond the existing 56 beds, 40 of which are presently contemplated to be designated for CTF purposes. The parties may, upon mutual agreement, modify this number of designated CTF beds, but no such modification will, absent the consent of the City of Torrance, increase the capacity for Star View beyond the presently existing 56 beds.

In order to facilitate communication between Star View, the County of Los Angeles, and the City of Torrance, the parties agree that there will be quarterly meetings for this purpose, attended by appropriate representatives of all three agencies. These meetings may be scheduled less frequently than quarterly, at the option of the City of Torrance.

- It will have been determined by the Screening Committee that there has been an inability to serve the children and adolescents in a less restrictive setting, as evidenced by:
  - Unsuccessful placements in open settings
  - Denials of admission from RCL 12 and 14 Group Homes
  - Current presenting problems that include, but are not limited to, unsafe, high-risk behaviors such as chronic AWOL, self mutilating/self destructive acts, aggressive

and assaultive behaviors, substance use and abuse, age-inappropriate sexual behaviors, or other clinical indicators as determined by the Screening Committee

- Child/adolescent demonstrates motivation for treatment and there is supportive evidence that the child/adolescent's unique needs can be met through the development of a comprehensive treatment plan to address short term and long term issues that have inhibited child/adolescent's ability to function in less restrictive community settings
- Exclusionary criteria that would prohibit admission to the Star View CTF include:
  - Recent, credible evidence that his/her conduct would constitute a direct threat to the health or safety of other individuals or will cause substantial physical damage to the property of others
  - Child/adolescent is known to have committed or attempted extremely violent acts, including murder or rape
  - Child/adolescent is known to have a Sustained Petition for any premeditated violent act
  - Child/adolescent is known to show a persistent pattern of violent acts or sexual offenses of a predatory nature (generally against younger, smaller, and/or opposite gender children)
  - Child/adolescent is known to have a history of other acts or attempted acts which would indicate an extreme risk to the safety of other clients, staff, and the community
- Verification of legal status and authority for admission to a secure facility include:
  - Dependents-6552 Minute Order and signed Consent for Treatment by CSW
  - Wards-6552 Minute Order and signed Consent for Treatment by DPO
  - DMH-Roger S. hearing or Waiver and signed Consent for Treatment by parent
  - Temporary Conservatorship or Conservatorship signed by Private Conservator, parent, or Public Guardian

The County's solicitation for this contract/purchase order (Request for Proposal or Invitation for Bid) is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All bidders or proposers, whether a contractor or subcontractor, must complete this form to either 1) request an exception from the Program requirements or 2) certify compliance. *Complete Part I or Part II below, as appropriate.*

#### Part I - Application for Exception From the Program

I request an exception from the Program for the following reason(s) (check the appropriate box(es) and attach documentation that supports your claim):

- ☐ My business does not meet the definition of "contractor," as defined in the Program," because my business has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has 10 or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than 10 employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

#### Part II - Certification of Compliance

My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

*I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.*

**“Contractor Employee Jury Service”****Los Angeles County Code Sections 2.203.010 through 2.203.090****2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.
- C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county.
- D. “Full time” means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer.
- E. “County” means the county of Los Angeles or any public entities for which the board of supervisors is the governing body. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.030 Applicability.**

This chapter shall apply to contractors who enter into contracts that commence two or more months after the effective date of this chapter. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence two or more months after the effective date of this chapter. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.040 Contractor Jury Service Policy.**

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees’ regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002).

### **2.203.050 Other Provisions.**

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract. (Ord. 2002-0015 § 1 (part), 2002)

### **2.203.060 Enforcement and Remedies.**

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

- 1. Recommend to the board of supervisors the termination of the contract; and/or,
- 2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

### **2.203.070. Exceptions.**

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
  - 1. Has ten or fewer employees during the contract period; and,
  - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
  - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation. (Ord. 2002-0015 § 1 (part), 2002)

### **2.203.090. Severability.**

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. (Ord. 2002-0015 § 1 (part), 2002).

#### What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

#### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

#### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

#### Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

#### Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

#### Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

#### What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

#### What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

#### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

#### A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

---

---

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

### ¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

### ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### ¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### ¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### ¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### ¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### ¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### ¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infómele qué otras opciones tiene.

---

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*

(Rev. November 2002)

**Have You Told Your Employees About the  
Earned Income Credit (EIC)?**

---

**EXHIBIT N**

**What Is the EIC?**

The EIC is a refundable tax credit for certain workers.

**A change to note.** Workers **cannot** claim the EIC if their 2002 investment income (such as interest and dividends) is over \$2,550.

**Which Employees Must I Notify About the EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

**Note:** You are encouraged to notify each employee whose wages for 2002 are less than \$34,178 that he or she may be eligible for the EIC.

**How and When Must I Notify My Employees?**

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2003.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the

notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS Web Site at [www.irs.gov](http://www.irs.gov).

**How Will My Employees Know If They Can Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2002 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit (EIC).

**How Do My Employees Claim the EIC?  
Notice 1015**

(Rev. 11-2002)

Eligible employees claim the EIC on their 2002 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2002 and owes no tax but is eligible for a credit of \$791, he or she must file a 2002 tax return to get the \$791 refund.

**How Do My Employees Get Advance EIC Payments?**

Eligible employees who expect to have a qualifying child for 2003 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Pub. 15**, Employer's Tax Guide.

- 6.2 The CONTRACTOR's Program Statement will be submitted for approval by COUNTY at initiation and renewal of this CTF Agreement. CONTRACTOR shall submit a revised Program Statement to COUNTY at any time during the term of this Agreement that CONTRACTOR makes changes to the program or to the facility including, but not limited to, Program Statement changes that affect the Rate Classification Level (RCL) as defined by WIC 16501.5. The CONTRACTOR's Program Statement will include, but not be limited to, operating capacity, specific statements defining intake policy, treatment services and policies, preplacement and discharge policies, detailed statements of the total services provided by CONTRACTOR, staffing and the Group Home Program Cost Report (SR3) and the Group Home Program Payroll and Fringe Benefit Report (SR4) submitted to the rate setting and licensing agencies. CONTRACTOR's performance under this Agreement will be evaluated in part based on CONTRACTOR's Program Statement. Changes to the Program Statement shall be made in accordance with Section 5.0, Change Notices and Amendments.
- 6.3 The parties understand and agree that appropriate MENTAL HEALTH SERVICES will be provided to the children placed in the CTF. The parties agree that the terms and conditions for such services will be governed exclusively by an existing separate agreement with COUNTY's Department of Mental Health and VISTA DEL MAR CHILD AND FAMILY SERVICES, and any Amendments thereto, PROVIDED that any real or

perceived conflicts will be resolved to the fullest extent possible to ensure compliance with the State laws and regulations governing CTFs. The parties agree to support the maximization of Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Medi-Cal funding for these MENTAL HEALTH SERVICES and that no portion of the COUNTY augmentation dollars (CGF) will replace EPSDT funds.

- 6.4 The parties understand and agree that costs associated with educational, medical, and dental services shall be reimbursed in whole or in part through means other than this Agreement.

## **7.0 TERM**

The term of this Agreement shall be from July 1, 2006, or date of execution, whichever is later, through June 30, 2007, unless earlier terminated in accordance with the termination provisions herein.

- 7.1 County has no obligation to pay for expenditures by Contractor that exceed the Maximum Contract Sum.
- 7.2 CONTRACTOR shall have no claim against COUNTY for payment of any money or reimbursement, of any kind whatsoever, for any service provided by CONTRACTOR after the expiration or other termination of this Agreement. Should CONTRACTOR receive any such payment, CONTRACTOR shall immediately notify COUNTY and shall immediately repay all such funds to COUNTY. Payment by COUNTY for services rendered after expiration/termination of this Agreement shall not constitute a waiver of COUNTY's right to recover such payment from CONTRACTOR. This provision shall survive the expiration or other termination of this Agreement. Notwithstanding the foregoing, if COUNTY does not remove a Placed Child from a CTF following termination of this Agreement, COUNTY will pay based upon the CTF's rate.
- 7.3 CONTRACTOR shall notify COUNTY when this Agreement is within six (6) months from the expiration of the term as provided for hereinabove. Upon occurrence of this event, CONTRACTOR shall notify COUNTY, in the manner set forth in Section 30.0, Notices, of this Agreement.

## **8.0 PAYMENT**

COUNTY has received and approved CONTRACTOR's Proposed Budget, Exhibit E, in accordance with the statutes and regulations governing CTFs. CONTRACTOR will offer the level of care and services required to receive the highest foster care rate provided for under the current group home rate system. Payment shall only occur for days spent at the CTF. If a placement is made into

another of Contractor's Programs, e.g., Group Home, CTF supplemental funds cannot be utilized.

8.1 In addition, COUNTY will pay CONTRACTOR up to two-thousand five-hundred dollars (\$2500) per month per COUNTY-placed child from CGF, prorated, for CTF child care and supervision services not reimbursed from other funding sources. The parties agree that payment of these CGF funds is only for ACTUAL ALLOWABLE COSTS, in accordance with the payment, invoice, and review provisions set forth in this Agreement. CONTRACTOR will work with COUNTY to maximize revenue from non-COUNTY sources.

8.1.1 For the term July 1, 2006 through June 30, 2007, COUNTY will pay CONTRACTOR an additional \$1,260, from \$2,500 to \$3,760, per month per COUNTY-placed children from County General Funds (CGF), prorated, for CTF child care and supervision services not reimbursed from other funding sources.

8.2 CONTRACTOR may make reallocations of expenses between major budget categories without COUNTY consent, as long as such reallocations do not exceed 10% in the annual aggregate. CONTRACTOR may, in addition, request reallocations between major budgeted categories in excess of 10% in any category in the annual aggregate, PROVIDED that such requests do not change the Maximum Contract Sum, and are in writing and approved by COUNTY's Program Manager and Finance Officer. COUNTY will accept no more than three such requests each contract period, unless the Program Manager determines the need for additional budget modifications, in his sole discretion.

8.3 CONTRACTOR shall complete and submit vouchers in arrears, for services rendered in the CTF in the previous month. Billing shall only be for days spent in the CTF and shall be exclusive of any other programs. All vouchers shall be received within five days of the last day of the previous month. Vouchers shall be sent to:

Revenue Enhancement  
Vendor Voucher Validation Unit  
P.O. Box 2969  
Covina, CA 91722-8969

8.4 Placements lasting less than a full month shall be prorated. Payment shall commence the day the child is placed with the CONTRACTOR in the CTF and terminate the day before the child is removed. When the CONTRACTOR holds open a bed at the request of the child's COUNTY Worker in anticipation of the child's return, COUNTY shall pay for that bed

for the requested number of days up to seven (7) days for requests from DCFS and three (3) days for requests from the Probation Department.

- 8.5 COUNTY shall make every effort to pay the CONTRACTOR the amount due within 15 calendar days after receipt of the voucher or payment authorization date. Retroactive and supplemental increases in payment to CONTRACTOR shall not be bound by the 15 calendar day payment goal. Questions regarding payment should be directed to the DCFS Foster Care Hotline at (800) 697-4445.
- 8.6 CONTRACTOR shall notify the COUNTY within 30 days of the receipt of any payment that is incorrect. Notification must be made by completing the Payment Resolution Notification form (COV 71) and faxing it to (626) 858-9143. Interest charges may be assessed from the 30th day following identification and written notification of the incorrect payment, at a rate equal to COUNTY's current Pool Rate, as determined by COUNTY's Auditor-Controller, per day on the delinquent amount due. Interest charges shall be paid by CONTRACTOR upon demand. COUNTY will resolve payment discrepancies within 30 days of receipt of the Payment Resolution Notification Form. COUNTY will provide CONTRACTOR with written notice of payment resolutions. CONTRACTOR will be required to repay any excess funds in accordance with Section 9.0 of this Agreement. COUNTY shall make every effort to pay CONTRACTOR any underpayment within 30 days of written notice of payment resolution to CONTRACTOR.
- 8.7 In addition to any other notice requirements, CONTRACTOR shall notify DCFS Foster Care Hotline at (800) 697-4444 for DCFS children, the Probation Central Placement Unit at (323) 226-8600 for Probation youth, or DMH Countywide Case Management Unit at (213) 738-2906 for DMH children, within 24 hours whenever a child leaves the CONTRACTOR's facility or a child is moved from one level of care to another level of care within CONTRACTOR's program.
- 8.8 Should CONTRACTOR, after having a child admitted into a psychiatric hospital, decide not to take the child back, then all foster payments made to CONTRACTOR to keep space available for that child shall be returned immediately to the COUNTY by CONTRACTOR, unless otherwise agreed to by COUNTY and CONTRACTOR.
- 8.9 The COUNTY may, at its discretion, implement an alternative payment system to replace the current voucher payment system. Any changes to the payment system will be discussed with the CONTRACTOR prior to implementation.

- 8.10 CONTRACTOR will be required to use unrestricted funds to repay any interest charges or liquidated damages assessed by the COUNTY.

## **9.0 PAYMENT ERRORS**

- 9.1 In the event that COUNTY identifies an excess payment made to CONTRACTOR, COUNTY will notify CONTRACTOR of such in writing. Upon receipt of such notice, CONTRACTOR shall within thirty (30) calendar days, return the excess payment to COUNTY, or execute an agreement to pay within another mutually agreed upon time frame, or register a written notice of dispute, with accompanying documentation, to:

Division Chief, Revenue Enhancement  
Department of Children and Family Services  
800 South Barranca Street, 4th Floor  
Covina, CA 91732

In the event CONTRACTOR does not return payment, enter into an agreement for payment within a mutually agreed upon time frame, or register a written notice of dispute, within thirty (30) days of receipt of such notice, COUNTY may place CONTRACTOR on Do Not Refer Status, pursuant to DCFS Administrative Hold policy.

CONTRACTOR may request that any dispute under this provision be resolved pursuant to Section 48.0.

- 9.2 Upon final determination of the amount owed, if the CONTRACTOR refuses or is unable to repay the amount owed or no longer receives funds from the COUNTY, the COUNTY, at its sole discretion, may collect directly or refer the case to the appropriate COUNTY agency.
- 9.3 The COUNTY may charge interest as described in Section 8.6 if payment errors are not promptly repaid.

## **10.0 USE OF FUNDS**

- 10.1 CONTRACTOR shall be organized and operated as a Federal Tax Exempt (if applicable) non-profit corporation throughout the term of this Agreement and conduct itself in accordance with all accounting and operating requirements of such status.
- 10.2 CONTRACTOR shall use AFDC-FC funds paid to and Expended by CONTRACTOR only for the care and Services of Placed Children, in order to maintain the standards of care and Services consistent with the Statement of Work and the AFDC-FC payments received. By August 1 of

each year, CONTRACTOR shall submit to COUNTY a cost allocation plan, which provides for the reasonable allocation of CONTRACTOR's Expenditures for the then current fiscal year. CONTRACTOR's cost allocation plan shall be developed in accordance with the principles included in OMB Circular A-122 (Exhibit C-1) and the Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook (Exhibit D).

- 10.3 CONTRACTOR shall Expend foster care funds on reasonable and allowable Expenditures in providing the necessary care and Services, as specified in this Agreement, for children placed by COUNTY. The determination of reasonable and allowable Expenditures shall be in accordance with OMB Circular A-122 (Exhibit C-1); Manual of Policy and Procedures Sections 11-400, 11-402, 11-403, 11-404, and 11-420; and 45 CFR 74.27, and the Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook (Exhibit D). Any AFDC-FC funds not Expended in accordance with the above will be disallowed on monitoring/audit, and will require repayment by CONTRACTOR. Any dispute regarding repayment of funds is subject to the provisions outlined in Section 48.0, Dispute Resolution.
- 10.4 All uses of AFDC-FC funds paid to and Expended by CONTRACTOR and other financial transactions related to CONTRACTOR's provision of Services under this Agreement are subject to review and/or audit by DCFS, Probation, COUNTY's Auditor-Controller or its designee, as set forth in Exhibits C-1 and D. In the event this Agreement is subject to audit exceptions, CONTRACTOR shall pay to COUNTY the full amount of CONTRACTOR's liability for such audit exceptions, as determined by DCFS or Probation, upon demand by COUNTY. Upon notice by CONTRACTOR, COUNTY will, upon verification by COUNTY, reduce the audit disallowance claimed by COUNTY by the amount subject to repayment to the state for duplicated disallowed Expenditures during the time period covered by COUNTY's audit.
- 10.5 Notwithstanding any other provision of this Agreement, in addition to all other rights to monitor, including but not limited to audit, CONTRACTOR and COUNTY agree that it is the intent of the parties that COUNTY shall have the right to audit any and all use of AFDC-FC funds, paid to and Expended by CONTRACTOR, in order to ensure that all Expended and unspent funds are accounted for and that unspent funds are held for the future benefit of Placed Children, and to determine the appropriate disposition of unallowable Expenditures.
- 10.6 Total accumulated unexpended funds (TAUF) shall include (1) CONTRACTOR's un-Expended funds; and (2) CONTRACTOR's accumulated, unexpended AFDC-FC funds received from COUNTY between September 1, 2003 through the expiration date of the most

recently completed contract term. If facts suggest the possibility of fraud or significant abuse, COUNTY reserves the right to review uses of unexpended funds accumulated in periods prior to September 1, 2003. CONTRACTOR's TAUF shall be reflected on its Semi-Annual Expenditure Report (Exhibit O).

At the end of any given CONTRACTOR fiscal year, any TAUF that is equal to or less than two months budgeted revenues for COUNTY's Group Home program for its next fiscal year may be retained by CONTRACTOR for future use for the benefit of Placed Children for reasonable and allowable costs. The maximum level of retainable TAUF will hereafter be referred to as the TAUF Ceiling. In the event that CONTRACTOR's TAUF, at the end of any given CONTRACTOR fiscal year, exceeds the TAUF Ceiling, CONTRACTOR shall develop a plan regarding how to utilize the TAUF for the benefit of Placed Children for reasonable and allowable costs, and shall submit the plan to Director's Deputy Director level designee for review and approval within 60 Days of the fiscal year end. Section 11-404.2 through 11-404.2.24 of the State Manual of Policy and Procedure provides examples of permissible uses of unexpended funds. Said Sections may provide a guideline for permissible uses of TAUF. However, all CONTRACTOR plans for uses of TAUF require pre-approval by the COUNTY.

If the plan is not approved, CONTRACTOR shall, in consultation with COUNTY, work to develop a revised plan for TAUF excess that is acceptable to COUNTY within 30 days of denial of proposed plan. COUNTY shall respond in writing within 25 days of receipt of CONTRACTOR's revised plan. CONTRACTOR shall respond with any proposed amendments to revised plan within 15 business days of receipt of COUNTY's written response. COUNTY will issue a final plan within 5 days of receipt of CONTRACTOR's amendments.

CONTRACTOR'S failure to develop an appropriate plan for the utilization of excess TAUF, or the Expenditure of excess TAUF without a COUNTY approved plan shall constitute a material breach of the Agreement. In such instance, COUNTY may take appropriate action, pursuant to this Agreement, including, but not limited to, that under Sections 39.0, Suspension of Intake (Do Not Refer), and 40.0 (Removal of Placed Children (Do Not Use) with the understanding that CONTRACTOR may appeal the final decision pursuant to the Dispute Resolution in Section 48.0

## **11.0 RECORDS AND AUDITS – FINANCIAL**

- 11.1 CONTRACTOR shall maintain accurate and complete financial records of all its activities and operations relating to this Agreement which are in

accordance with Generally Accepted Accounting Principles and which meet the requirements for contract accounting, internal control and financial reporting as identified in Exhibit D. Such records shall include, but not be limited to, accounting ledgers, journals, canceled checks, time cards, personnel records, fringe benefit rate notices, receipts and invoices, payroll tax records, subcontracts, space and equipment lease agreements, and other relevant accounting books, records, worksheets and logs, as appropriate for ensuring CONTRACTOR accountability of Agreement expenditures and program performance.

- 11.2 All documents identified in Section 11.1 shall be kept and maintained by CONTRACTOR and shall be made available to COUNTY during the term of this Agreement and for a period of five (5) years thereafter, unless COUNTY's written permission is given to dispose of any such material prior to such time. In the event CONTRACTOR does not make available its records within the territorial limits of County of Los Angeles, or a county contiguous thereto if CONTRACTOR's principal place of business is located in a contiguous county, CONTRACTOR agrees to pay all necessary and reasonable transportation and travel expenses incurred by COUNTY in conducting any review at the location where said records are maintained.
- 11.3 All uses of funds paid to CONTRACTOR by COUNTY for provision of services under this Agreement are subject to review and/or audit by DCFS, COUNTY's Auditor-Controller or its designee, or the State of California. Any audits conducted by COUNTY's Auditor-Controller will be conducted in accordance with protocols established by COUNTY Auditor-Controller, which shall be substantially similar to protocols set forth in Exhibit D. CONTRACTOR shall, during normal business hours, allow appropriate COUNTY, State and Federal agencies, including CDSS, and COUNTY's Auditor-Controller or its designee, to evaluate, audit, review, inspect, and monitor its accounting books and records of program operations, including the interview of CONTRACTOR's staff, insurance agents, bank personnel, board members, vendors, and subcontractors.
- 11.4 Upon request, CONTRACTOR shall provide COUNTY with copies of records and documents, including placed children's records and personnel records. CONTRACTOR shall be responsible for the cost of providing photocopies to COUNTY. COUNTY agrees to limit requests for copies of records to an as-needed basis only.
- 11.5 In the event that a fiscal audit is conducted of CONTRACTOR by COUNTY, COUNTY may send a copy of such audit to CDSS for appropriate action. If, as a result of a fiscal audit or investigation, the Director in his or her sole discretion, determines that a violation of an obligation under this Agreement has occurred or that audit exceptions,

determined in accordance with Section 11.2 or Section 12.0 exist, COUNTY shall have all available remedies specified in this Agreement. Such remedies shall include placing CONTRACTOR on DO NOT REFER (Administrative) or DO NOT USE (Administrative) as set forth in Department of Children and Family Services Investigation Guidelines and Policy for Suspension of Intake and Removal of Children.

- 11.6 CONTRACTOR shall be responsible for having timely annual financial audits and/or reviews in accordance with applicable Federal and State laws and regulations.
- 11.7 All audits conducted of CONTRACTOR by a Federal or State auditor or by any independent auditor engaged by CONTRACTOR or otherwise, shall be filed with COUNTY's DCFS' Quality Assurance Division and COUNTY's Auditor-Controller's Audit Division within thirty (30) days of CONTRACTOR's receipt of the final audit report, unless otherwise provided by applicable Federal or State law. COUNTY shall maintain the confidentiality of such audit records to the extent they are not subject to disclosure under the Public Records Act. Further, COUNTY may disclose all such audit reports to other governmental agencies.
- 11.8 If the COUNTY conducts a fiscal audit of a CONTRACTOR, COUNTY shall offer CONTRACTOR an opportunity to have an exit conference, as set forth in Exhibit D, prior to issuance of the audit report.

In the event CONTRACTOR disputes any or all fiscal audit findings and recommendations, CONTRACTOR may appeal them pursuant to the Dispute Resolution as set forth in Section 48.0 of this Agreement.

- 11.9 Failure on the part of CONTRACTOR to comply with the provisions of this Section 11.0 shall constitute a material breach of this Agreement upon which COUNTY may terminate this Agreement.

#### 11.10 AUDIT SETTLEMENT

If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, authorized representatives of COUNTY conduct an audit of CONTRACTOR regarding the services provided to COUNTY hereunder and if such audit finds that COUNTY's dollar liability for such services is less than payments made by COUNTY to CONTRACTOR, then CONTRACTOR agrees that the difference, at the COUNTY's discretion, shall be either: (1) repaid forthwith by CONTRACTOR to COUNTY by cash payment; or (2) at COUNTY's option, credited against future payments hereunder to CONTRACTOR. If such audit finds that COUNTY's dollar liability for services provided hereunder is more than payments made by COUNTY to

CONTRACTOR, then the difference shall be paid to CONTRACTOR by COUNTY.

## **12.0 RECORDS AND AUDITS – OTHER**

- 12.1 CONTRACTOR shall maintain and retain records on each child as required by Community Care Licensing regulations, Exhibit A Statement of Work, and Exhibit B CONTRACTOR's Program Statement. Such records shall include, but not be limited to, placement and termination documents, community service activities, extracurricular school activities, placed children's financial records (clothing, allowances, earnings, medical expenses, etc.), diagnostic evaluations and studies, child interviews, progress notes (treatment, school, medical, etc), and notes on services provided by the various professional and paraprofessional staff (treatment, recreation, child care, etc.). The records shall be in sufficient detail to permit an evaluation of services provided.
- 12.2 All such material, including, but not limited to, documents identified in Section 12.1 , shall be kept and maintained by CONTRACTOR and shall be made available to COUNTY during the term of this Agreement and for a period of five (5) years thereafter, unless COUNTY's written permission is given to dispose of any such material prior to such time. In the event the CONTRACTOR does not make available its records within the territorial limits of the COUNTY of Los Angeles, or a county contiguous thereto if CONTRACTOR's principal place of business is located in a contiguous county, CONTRACTOR agrees to pay all necessary and reasonable transportation and travel expenses incurred by COUNTY in conducting any review at the location where said records are maintained.
- 12.3 Pursuant to the Terms and Conditions of this Agreement, the COUNTY may inspect and conduct investigations of the CONTRACTOR's program operations, without prior notice to CONTRACTOR, seven days a week, 24 hours a day. COUNTY also retains the right to conduct audits to ensure that children referred to CONTRACTOR are being provided services in accordance with this Agreement. Procedures for such investigations and program audits are set forth in Exhibit D. Such guidelines and procedures may include a scoring continuum which reflects percentage findings of aggregated elements within a review category. While COUNTY and Providers commit to an ongoing collaborative process and a good faith effort to develop CTF program review guidelines and procedures which are acceptable to CTF providers, COUNTY reserves the right to make the final determination of the content of such guidelines and procedures. Once such guidelines and procedures are developed, Exhibit D will be amended accordingly and any further program inspections and investigations will be conducted consistent with such guidelines and procedures. In the event that such guidelines and procedures have not

been developed within ninety (90) days following implementation of this Agreement, program audits will be discontinued until the guidelines and procedures are in place.

- 12.4 Upon request, CONTRACTOR shall provide COUNTY with photocopies of records and documents, including children's records and personnel records. CONTRACTOR shall be responsible for the cost of providing photocopies to the COUNTY. The COUNTY agrees to limit requests for copies of records to an as needed basis only.
- 12.5 In the event that an audit is conducted of CONTRACTOR by COUNTY, COUNTY may send a copy of such audit to CDSS for appropriate action. If, as a result of an audit or investigation, the Director in his/her sole discretion determines that a violation of an obligation under this Agreement has occurred or that audit exceptions, determined in accordance with Sections 6.1, 11.2 and this Section 12.0, exist, CONTRACTOR shall pay to COUNTY the full amount of CONTRACTOR's liability for such violations or audit exceptions upon demand by COUNTY and COUNTY shall have available all remedies specified in this Agreement.

### **13.0 CONTRACT COMPLIANCE AND PROGRAM INVESTIGATIONS**

- 13.1 COUNTY may inspect and conduct investigations of CONTRACTOR's program operations and contract compliance without prior notice to CONTRACTOR, seven days a week, 24 hours a day. COUNTY retains the right to do audits to ensure that placed children referred to CONTRACTOR are being provided services in accordance with this Agreement. Program review guidelines and procedures are set forth in COUNTY'S DCFS and Probation Investigation Guidelines, a copy of which CONTRACTOR acknowledges receipt.
- 13.2 Such reviews and/or audits shall encompass all of CONTRACTOR's financial, program, employees, subcontractors and placed children's records related to services provided under this Agreement, and any other financial transactions, as determined necessary to ensure that AFDC-FC and CGF funds have been accounted for and expended in accordance with the regulations set forth in Section 10.2.
- 13.3 CONTRACTOR shall maintain and retain records on each placed child as required by Community Care Licensing regulations, Exhibit A Statement of Work, and Exhibit B CONTRACTOR's Program Statement. Such records shall include, but not be limited to, placement and termination documents, medical and dental records, placed children's financial records (clothing, allowances, earnings, medical expenses, etc.), diagnostic evaluations and studies, placed child interviews, social worker progress notes (including

treatment, school, extracurricular activities at school or in the community, etc.), and notes on services provided by the various professional and paraprofessional staff (treatment, recreation, child care, etc.). The records shall be in sufficient detail to permit an evaluation of services provided. All such documents shall be kept and maintained by CONTRACTOR for the period of time services are rendered the placed child and for at least five (5) years following termination of services to the child.

- 13.4 In the event a Program Director determines in his/her sole discretion that a violation of an obligation under this Agreement, or breach of any provision hereof, as a result of a program audit or investigation conducted pursuant to Section 11.0, has occurred, COUNTY and CONTRACTOR shall have all of the rights and remedies set forth below unless such violation or breach is determined, by a Program Director, in his/her sole discretion, to pose a health or safety risk to any placed child or children in which case COUNTY may enforce remedies in accordance with Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use), of this Agreement. CONTRACTOR may also request to meet with the Out-of-Home Care Division Chief. For violations that are determined not to pose a health or safety risk, the following remedies will be applied in sequence:

13.4.1 CONTRACTOR will be required to cure the violation or breach within a time period designated by COUNTY and to submit a Corrective Action Plan (CAP) in accordance with Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use).

13.4.2 If CONTRACTOR fails to submit and/or implement a CAP or otherwise satisfactorily cure the violation or breach, COUNTY may place CONTRACTOR on "Do Not Refer" (Administrative) as provided in Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use), until such time as the violation or breach has been satisfactorily cured.

13.4.3 If CONTRACTOR fails to submit and/or implement a CAP or otherwise satisfactorily cure the violation within thirty (30) days of the Do Not Refer action, COUNTY may place CONTRACTOR on "Do Not Use" (Administrative) and remove placed children as provided in Department of Children and Family Services Investigation Guidelines, Policy for Suspension of Intake (Do Not Refer), and Removal of Children (Do Not Use), or take any and all such actions, at law or in equity, including, but not limited to, the

termination of this Agreement as set forth herein, as deemed appropriate by COUNTY.

13.4.4 The parties acknowledge and agree that, in considering CONTRACTOR'S obligations, Federal law regarding special education rights of students, including status quo, "right to stay pending," and "stay put orders" must be complied with.

13.5 In the event that COUNTY believes there is any violation or breach of any Title 22 licensing requirement or Title 9 CTF requirement, COUNTY may refer the violation to the Community Care Licensing Division of the California Department of Social Services, and the State Department of Mental Health for appropriate action, including the imposition of any applicable fines and penalties.

#### **14.0 FINANCIAL REPORTING**

14.1 CONTRACTOR shall report and reconcile quarterly the actual \$2,500 per child CTF revenues, and the actual \$1,260 per child CTF revenues with actual quarterly revenues and expenditures on the Expenditure Report in accordance with CONTRACTOR's approved budget. CONTRACTOR shall submit such Expenditure Reports to:

Department of Children and Family Services  
Finance Services Division  
425 Shatto Place, Room 204  
Los Angeles, CA 90020

The Expenditure Report shall be submitted no later than sixty (60) calendar days following the last day of the quarter for which it is due. In the event Expenditure Reports are not received timely by COUNTY, COUNTY may place CONTRACTOR on DO NOT REFER (Administrative), subject to exceptions for good cause as determined by COUNTY, until Expenditure Reports are received. The quarterly report will apply for CTFs and replaces the Semi-Annual Expenditure Report.

14.2 COUNTY total financial obligation to CONTRACTOR shall not exceed verified expenditures incurred by CONTRACTOR. If actual costs as identified in quarterly expense statements are significantly below (no less than 10%) the CONTRACTOR's RCL rate plus CGF amount, the parties shall meet to review the variance. If actual costs continue significantly below, without satisfactory explanation, COUNTY may modify its total financial obligation.

14.3 Contractor shall reconcile all revenues received as referenced in Section 8.1 to actual allowable costs for services and supervision which are not

otherwise reimbursable from other resources in excess of RCL 14. The reconciliation shall be submitted according to the provisions of Section 14.1 within 60 calendar days following the last day of the contract period. Any overpayment due to the County shall be paid to the County according to the provisions of Section 15.0.

## **15.0 OVERPAYMENT**

- 15.1 CONTRACTOR agrees that when a sustained overpayment, as described in WIC 11466 et seq. is identified, CONTRACTOR shall repay to the State or COUNTY within 30 calendar days at the end of each quarterly period the amount of the overpayment including interest in accordance with WIC 11466 et seq.
- 15.2 Failure by the CONTRACTOR to make payments as required in a repayment agreement between the State and the CONTRACTOR for the payment of sustained overpayments may result in placing CONTRACTOR's agency on "Do Not Refer" status by COUNTY until the overpayment has been repaid.

## **16.0 SUBCONTRACTING**

- 16.1 COUNTY and CONTRACTOR acknowledge and agree that CONTRACTOR may subcontract for provision of social work, therapy and other specific services to be provided to placed children hereunder. Such subcontracting shall be close in conformance within the provisions of this Section 16.0.
- 16.2 All of the provisions of this Agreement and any Amendment(s) hereto shall extend to and be binding upon subcontractors, provided that assignment or delegation of rights under a subcontract by subcontractors shall not require County approval. The CONTRACTOR shall include in all subcontracts the following provision: "This Agreement is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties contained in this subcontract shall inure to the benefit of the County of Los Angeles."
- 16.3 CONTRACTOR shall indemnify and hold COUNTY harmless from any and all liability arising or resulting from the use of any subcontractor and its employees in the same manner and to the same extent that CONTRACTOR indemnifies COUNTY from any and all liability arising from or resulting from the actions or omissions of its own employees.
- 16.4 CONTRACTOR shall obtain the following from each subcontractor before any subcontractor employee may perform any work under any subcontract

to this Agreement. CONTRACTOR shall maintain and make available upon request of Program Manager all the following documents.

16.4.1 An executed Contractor Employee Acknowledgment and Confidentiality Agreement and Contractor's Non-Employee Acknowledgment and Confidentiality Agreement (see Exhibit C), executed by each subcontractor and each of subcontractor's employees approved to perform work hereunder.

16.4.2 Certificates of insurance which establish that the subcontractor maintains all the programs of insurance required by Section 34.0 of this Agreement (Insurance), and

16.4.3 The Tax Identification Number of the subcontracting agency, to be placed on the signature page of the subcontract. This Tax Identification Number shall not be identical to the CONTRACTOR's Tax Identification Number.

16.5 CONTRACTOR shall provide COUNTY's Program Manager with copies of all executed subcontracts.

16.6 No subcontract shall alter in any way any legal responsibility of CONTRACTOR to COUNTY. CONTRACTOR shall remain responsible for any and all performance required of it under this Agreement, including, but not limited to, the obligation to properly supervise, coordinate, and perform all work required hereunder.

16.7 Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

16.8 CONTRACTOR shall be solely liable and accountable for any and all payments and other compensation to all subcontractor's engaged hereunder and their officers, employees, and agents. COUNTY shall have no liability or responsibility whatsoever for any payment or other compensation for any subcontractor or their officers, employees, and agents.

## **17.0 ASSIGNMENT BY CONTRACTOR**

17.1 CONTRACTOR shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of COUNTY, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this Section 17.1, COUNTY consent shall require a written amendment to the Agreement, which is formally approved and executed by the parties.

Any payments by COUNTY to any approved delegate or assignee on any claim under the Agreement shall be deductible, at COUNTY's sole discretion, against the claims, which CONTRACTOR may have against COUNTY.

- 17.2 Shareholders, partners, members, or other equity holders of CONTRACTOR may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of CONTRACTOR to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Agreement, such disposition is an assignment requiring the prior written consent of COUNTY in accordance with applicable provisions of this Agreement.
- 17.3 Any assumption, assignment, delegation, or takeover of any of the CONTRACTOR's duties, responsibilities, obligations, or performance of same by any entity other than the CONTRACTOR, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without COUNTY's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Agreement. COUNTY OF LOS ANGELES COUNTY  
DEPARTMENT OF CHILDREN AND FAMILY SERVICES,  
DEPARTMENT OF MENTAL HEALTH, AND PROBATION DEPARTMENT  
COMMUNITY TREATMENT FACILITY AGREEMENT

**STATEMENT OF WORK**

**A. PREAMBLE**

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- |                   |                         |
|-------------------|-------------------------|
| ➤ Responsiveness  | ➤ Integrity             |
| ➤ Professionalism | ➤ Commitment            |
| ➤ Accountability  | ➤ A Can-Do Attitude     |
| ➤ Compassion      | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.

- ✓ County agencies and their partner create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

#### Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

#### Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services

- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

#### Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

ILP incentive is considered "income" to the placed child and shall not be withheld from the placed child by CONTRACTOR.

### 19.1 Amount

The CONTRACTOR shall provide a base allowance appropriate to age and reasonably commensurate with peer group standards and services as prescribed in CONTRACTOR's Program Statement. The base allowance shall not be less than the following amounts: \$3.00 (5-8 years); \$5.00 (9-13 years); \$7.00 (14-17 years) per week, starting with the first full week of placement. Allowances may be increased beyond this base amount according to a point/levels/rewards behavioral control system.

### 19.2 Savings

The CONTRACTOR may encourage the placed child to save for a particular purchase that is not provided by the CONTRACTOR or to accumulate a savings account. However, beyond supervision of spending for appropriateness for age, safety and health, CONTRACTOR shall permit placed child to spend his/her allowance, as the placed child desires.

### 19.3 Earnings

The placed child's earnings may be applied toward special clothing items, tools and other personal property above the basic services contracted for herein. Court ordered restitution can be withheld from the earnings of a ward of the Juvenile Court only. CONTRACTOR shall encourage placed youth age fourteen (14) and older to save their earnings for emancipation.

The CONTRACTOR shall work with the COUNTY Worker and placed child to mutually agree on the method of securing and use of the placed child's earned income including opening a bank account if appropriate.

## **20.0 CHORES**

### 20.1 Routine Chores

The CONTRACTOR shall indicate in Exhibit B - CONTRACTOR's Program Statement, which chores a placed child will be required to do as part of their regular responsibilities. CONTRACTOR shall appropriately supervise placed children while they are doing chores.

## 20.2 Optional Chores

The CONTRACTOR shall indicate in Exhibit B - CONTRACTOR's Program Statement which chores a placed child may do on a voluntary basis for compensation, usually as part of an incentive/behavior modification program. CONTRACTOR shall appropriately supervise placed children while they are doing chores.

## 20.3 Optional Chore Log

The CONTRACTOR shall comply with Exhibit B - CONTRACTOR's Program Statement description of routine chores or which chores are optional or for compensation. In addition, the CONTRACTOR shall maintain an optional chore log indicating the placed child, date, chore(s), hours worked and compensation.

## **21.0 FOOD**

CONTRACTOR shall provide meal service, snacks, and a balanced diet as defined in Division 6, Chapter 1, Section 80076 and Chapter 5, Section 84076 of Title 22 regulations.

Placed children shall participate in menu planning. CONTRACTOR shall make additional servings available at meal times. CONTRACTOR shall inform COUNTY Worker when special dietary needs arise due to medical problems/conditions.

## **22.0 CLOTHING**

Clothing shall fit and shall not be too small or more than two sizes larger than actual measurements. The clothing shall be clean, in good repair and appropriate for the intended use and season, including the school dress code. In no event shall CONTRACTOR provide other than new undergarments or shoes for each placed child. The CONTRACTOR shall include in the program statement a plan acceptable to the COUNTY that regularly involves the placed child in the selection and purchase of his/her own clothing and meets the minimum monthly clothing allowance and the on-hand clothing amount as specified in DCFS 2281.

The clothing is the property of the placed child and shall be retained by the placed child or his/her representative upon termination of placement.

CONTRACTOR shall provide for laundry, dry cleaning and mending of clothing in accordance with CONTRACTOR's Program Statement.

The parent(s) is responsible for the clothing supply and clothing maintenance of a Chapter 26.5 resident.

#### 22.1 Standard for Clothing

The standards for clothing for placed children are indicated in DCFS form number 2281.

#### 22.2 Clothing at Placement

When a child is placed in CONTRACTOR's facility, COUNTY will ensure that the child has at least 4 outfits as defined in DCFS 2281. COUNTY will provide to CONTRACTOR up to the maximum clothing allowance for each placed child who has less than 4 outfits at the time of placement.

#### 22.3 Meeting Full Clothing Standard

The CONTRACTOR shall ensure that each placed child has 7 outfits within 30 days of initial placement, 10 outfits within 60 days of initial placement, and 12 outfits within 120 days of initial placement as defined in the DCFS 2281 Clothing Standard.

#### 22.4 Children's Funds for Clothing

The CONTRACTOR shall provide each placed child with clothing without requiring the placed child to purchase clothing with his/her own funds. Notwithstanding limitations of Sections B.19.0, Allowance and Bank Accounts, B.22.0, Clothing, and B.23.0, Personal Needs, of this Statement of Work, when an expensive item(s) is desired that is not within the CONTRACTOR's budget allocation for the provision of sufficient clothing, the placed child may volunteer to supplement the budget to purchase the desired item(s).

#### 22.5 CONTRACTOR's Ongoing Clothing Allocation

The CONTRACTOR shall include in their program statement a plan acceptable to the COUNTY to provide a regular monthly clothing allocation, in the amount of at least \$50, from the AFDC-FC payment to be spent on clothing.

After reaching the Clothing Standard, the \$50 can be spent on clothing and/or accessories.

After reaching the Clothing Standard, the placed child may decide to carry over one month's clothing allowance for use in the following

month, which provides a banked maximum of \$100.00 for additional clothing of the child's choice.

#### 22.6 CONTRACTOR's Ongoing Clothing Inventory

CONTRACTOR shall maintain both a written inventory of each placed child's clothing and clothing receipts with description of item(s) purchased for each placed child written on each receipt. CONTRACTOR shall update clothing inventories whenever clothing items are added from any source or removed for any reason from the placed child's clothing supply.

#### 22.7 Storage/Security of Clothing During Placement

The CONTRACTOR shall provide for the storage and security of each placed child's clothing during the entire term of placement. CONTRACTOR may label placed child's clothing for identification purposes.

CONTRACTOR shall provide a lock or other secure means to protect the placed child's clothing and other personal property. CONTRACTOR shall retain a duplicate key to access the storage area as needed.

Notwithstanding the provisions of this Section, it is understood that clothing often disappears, particularly during home visits, and that clothing security is not entirely within CONTRACTOR's control. All losses will be documented as part of the clothing inventory, including a brief description of the circumstances involved and action taken by the CONTRACTOR, which will be taken into consideration during audits. Repeated instances of clothing loss should be reported to the COUNTY Worker.

#### 22.8 Storage/Security of Clothing/Personal Belongings Upon Termination of Placement

Within one (1) day of the placed child's departure, the CONTRACTOR shall collect, inventory, secure and store for up to 21 calendar days the clothing of a child who, for any reason, has left the CONTRACTOR's program.

CONTRACTOR agrees to maintain adequate procedures to prevent loss, theft, and/or unauthorized removal of a placed child's clothing. CONTRACTOR shall be responsible for replacing any preventable losses.

After 21 days, CONTRACTOR shall contact COUNTY Worker to determine if clothing is to be mailed to the COUNTY at COUNTY's expense (or to the parent(s) at the parent's expense of a Chapter 26.5 child).

#### 22.9 Special Clothing Needs

CONTRACTOR shall plan with the placed child and arrange for the purchase of school uniforms, when appropriate, sports clothing, sports equipment, special occasion clothing, and other necessary items for dances, proms, and graduation.

### **23.0 PERSONAL NEEDS**

Personal care/hygiene items shall be provided with consideration given to specific cultural and ethnic needs.

#### 23.1 Personal Care Items

The CONTRACTOR shall provide each child with his/her own new toothbrush, comb, deodorant and other personal hygiene items, and cover the cost of purchasing specific brands for health reasons as deemed necessary. The CONTRACTOR shall also provide toothpaste, soap, shampoo, hair care items, etc. for health, grooming and personal hygiene and replacement of combs, toothbrushes (as recommended by dentist), deodorant, etc., as needed.

CONTRACTOR shall offer placed children full choice among brands, as long as cost is reasonable.

CONTRACTOR shall not purchase or allow products in aerosol or glass containers.

#### 23.2 Linens

The CONTRACTOR shall provide sufficient clean towels, face cloths, and sheets on at least a weekly basis. CONTRACTOR shall provide clean and serviceable blankets, bedspreads and window treatment(s) on at least a quarterly basis.

CONTRACTOR shall immediately replace worn, torn or frayed towels, sheets, blankets, bedspreads, and window treatment(s).

## **24.0 SUPERVISION**

24.1 CONTRACTOR shall comply with staff-to-child ratios as defined in Division 6, Chapter 5, Sections 84165.5-84165.6 of Title 22 and CONTRACTOR's program statement to provide the staff necessary to meet each placed child's needs and to provide supervision. As stated in Section 84065.5(c), "If the children require special care and supervision because of age, problem behavior or other factors, the number of on-duty child care staff shall be increased to meet the needs of the children in accordance with Section 80065(a)."

### **24.2 Know Child's Whereabouts and Responsible Staff**

CONTRACTOR and CONTRACTOR's staff shall know the whereabouts of placed children according to resident log and be able to identify who is responsible for supervision. Placed children may leave the facility, unaccompanied for specific purposes, in accordance with case plan which has been pre-approved by COUNTY and as long as approved by CONTRACTOR or designee and documented in the log.

### **24.3 Resident Sign-in/Sign-out Log**

CONTRACTOR shall maintain a sign-in/sign-out log for placed children who leave the facility for any reason other than regularly scheduled work, school, or group activities of the CONTRACTOR. This log shall include the name of the child, his/her destination, the time he/she left the facility, the anticipated time of return, and the name and telephone number of the person who is responsible to supervise the resident while he/she is away from the facility (unless the COUNTY Worker has authorized unsupervised passes).

## **25.0 STAFFING**

CONTRACTOR agrees to provide appropriate staffing for program level in compliance with CDSS Rate Classification Level (RCL), CCL regulations, and the CONTRACTOR's program statement. CONTRACTOR agrees to provide COUNTY access to all related records available to CCL.

## **26.0 HOUSING AND LIVING ENVIRONMENT**

26.1 In addition to the requirements of Division 6, Chapter 1, Sections 80087-80088 and Chapter 5, Sections 84087-84088 and 84187-84188 of Title 22, CONTRACTOR shall provide all placed children with a safe, well-maintained, appropriately furnished and decorated,

home-like environment. All furniture and appliances shall be well maintained and in good working condition.

26.2 CONTRACTOR shall allow each placed child to personalize his/her bedroom.

## **27.0 HEALTH AND SAFETY**

CONTRACTOR shall comply with Division 6, Chapter 1, Articles 7-8 and Chapter 5, Article 7 of Title 22 regarding physical environment and health related services.

CONTRACTOR shall uphold a "No Smoking" policy within the facility. Under no circumstances shall placed children under 18 years of age be permitted to smoke. Visitors and staff shall not smoke inside of CONTRACTOR's facility(ies).

**COUNTY FISCAL AUDIT PHASES, FISCAL AUDITS OF COMMUNITY TREATMENT  
FACILITY CONTRACTORS  
AND AUDITOR-CONTROLLER COMMUNITY TREATMENT FACILITY CONTRACT  
ACCOUNTING AND OPERATING HANDBOOK**

**EXHIBIT D**

**COUNTY FISCAL AUDIT PHASES, FISCAL AUDITS OF COMMUNITY TREATMENT  
FACILITY CONTRACTORS**

**I. Overview**

To minimize delays and to increase understanding of the fiscal auditing process by COUNTY and the Community Treatment Facility Contractor (referred to herein as CONTRACTOR), the following is a description of the fiscal audit protocols followed by the Auditor-Controller (A-C), the Department of Children and Family Services (DCFS), the Probation Department (Probation), and the Department of Mental Health (DMH), herein referred to as COUNTY, unless referred to separately, during fiscal audit reviews. All specified timeframes are estimated, and actual timeframes may differ depending on COUNTY staffing, workload, and coordination of scheduling with each CONTRACTOR. The period(s) to be audited shall be consistent with the Contractor's accounting year-end.

**II. Purpose of Fiscal Audit Review**

The purpose of the fiscal audit review will be to determine whether, pursuant to the Agreement, Community Treatment Facility monies are appropriately accounted for and Expended on reasonable and allowable Expenditures in providing the necessary care and services for children placed by COUNTY and served by CONTRACTOR. A-C staff also evaluates the adequacy of CONTRACTOR's accounting records, internal controls, and compliance with the Agreement and applicable federal and State regulations governing the disbursement of foster care funds.

**III. Applicable Regulations**

We refer to the following guidelines and regulations in conducting our fiscal audits:

County Community Treatment Facility Agreement, including Exhibit D, Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook

Federal Office of Management and Budget Circular A-122, Cost Principles for Non-Profit Organizations

California Department of Social Services Manual of Policies and Procedures

California Code of Regulations, Title 22

**IV. Notification of Review**

A-C staff will contact CONTRACTOR's representatives to notify them of the fiscal audit review and to arrange for an entrance conference. Absent extenuating circumstances, the entrance conference is to be held within 15 calendar days of

this initial notification or at a mutually agreeable time. A letter will be sent to CONTRACTOR confirming the scheduled entrance conference date, time and location, and applicable documents that need to be available for review. COUNTY will be sent a copy of the confirmation letter.

**V. Entrance Conference**

Prior to the entrance conference, A-C staff will have reviewed the CONTRACTOR's Program Statement and Agreement to become familiar with the program and to identify questions or issues to be addressed or clarified during the entrance conference.

The entrance conference permits the CONTRACTOR and the A-C staff to discuss the scope of the review. A-C staff will introduce themselves, give a brief summary of the review objectives, discuss CONTRACTOR operating hours, work space, and CONTRACTOR's fiscal audit contact person, and perform an inventory of the CONTRACTOR's records requested in the confirmation letter. CONTRACTOR should ensure appropriate fiscal personnel are in attendance to answer any questions and discuss any concerns and problems encountered with CONTRACTOR records.

**VI. Preliminary**

The preliminary work will start after the entrance conference. This phase is an educational process for A-C staff. All requested documentation must be made available to the A-C Staff, including but not limited to, employee records, children's case files containing clothing and food receipts, and those records identified in Section 11.0, Records and Audits-Financial, Section 12.0, Records and Audits-Other, and Section 13.0, Contract Compliance and Program Investigations , of the Agreement.

Preliminary work will consist of becoming familiar with CONTRACTOR's accounting system and financial and accounting records, and evaluating its system of internal controls. From this work, A-C staff will determine how the records will be tested and the extent of detailed test work that will be performed in each area (i.e., billings, salaries, non-personnel expenditures, etc.).

It is important for CONTRACTOR to have its financial and accounting records available or prepare final schedules detailing all financial activities of CONTRACTOR for the fiscal audit review period. This will expedite the review and provide A-C staff with the population of transactions subject to review.

**VII. Detailed Field Work**

The detailed fieldwork is an extension of the preliminary work and involves a more in-depth review of accounting and financial records, documents and transactions. A-C staff will be requesting information from CONTRACTOR in the

various areas under review. The duration of detailed fieldwork varies and may take from a few weeks to several months to complete, depending on CONTRACTOR availability, condition of, and availability of the account records, and other variables.

Preliminary findings will be verbally discussed with CONTRACTOR during this stage of the review.

## **VIII. Summary of Preliminary Results**

Upon completion of the fieldwork, CONTRACTOR will be provided a summary of the preliminary results to allow the CONTRACTOR to comment, and ensure all relevant documentation has been obtained. Absent extenuating circumstances, a due date of no less than ten (10) business days, from the date CONTRACTOR is provided a summary of preliminary results, will be set by the A-C staff for CONTRACTOR to present additional documentation in response to the summary of preliminary results. Documentation provided after the due date may not be reflected in the draft fiscal audit report and/or may delay completion of the fiscal audit process.

## **IX. Preliminary Draft Fiscal Audit Report/Pre-exit Meeting**

Within 30 calendar days of the due date for receipt of additional information from CONTRACTOR, A-C staff will issue to CONTRACTOR a preliminary draft fiscal audit report, which contains preliminary draft findings and recommendations. The preliminary draft fiscal audit report will be faxed/mailed to the CONTRACTOR's Executive Director. A copy of the preliminary draft fiscal audit report will be provided to COUNTY.

After receipt of the preliminary draft fiscal audit report, CONTRACTOR may request a pre-exit meeting with COUNTY staff to discuss the preliminary draft fiscal audit report. If CONTRACTOR desires a pre-exit meeting, CONTRACTOR must submit its request in writing to the A-C either by letter, or via electronic mail, within 15 calendar days following receipt of the preliminary draft fiscal audit report. If CONTRACTOR does not request a pre-exit meeting in writing within the allowable time period, CONTRACTOR will be deemed to have waived the right to a pre-exit meeting.

If CONTRACTOR and COUNTY hold a pre-exit meeting:

\*The pre-exit meeting will be held in person or if mutually agreed upon, by telephone, and participants will include the A-C, DCFS, Probation, DMH, and CONTRACTOR's staff/management and non-legal representatives who are knowledgeable of the events in relation to the preliminary draft fiscal audit report being discussed.

At the pre-exit meeting, CONTRACTOR may provide additional documentation related to the findings and recommendations included in the preliminary draft fiscal audit report. After the pre-exit meeting, COUNTY staff will review the documentation and determine its effect, if any, on the findings and recommendations. COUNTY staff will revise the preliminary draft fiscal audit report, as COUNTY determine appropriate. The preliminary draft fiscal audit report updated for any revisions deemed appropriate by the COUNTY will herein be referred to as the exit draft fiscal audit report.

NOTE: In general, COUNTY will not review any additional documentation, which CONTRACTOR provides, related to the findings and recommendations in the preliminary draft fiscal audit report, at any time subsequent to the pre-exit meeting. However, in the event extenuating circumstances exist, COUNTY may at their sole discretion, consider additional documentation submitted subsequent to the pre-exit meeting. CONTRACTOR should therefore be sure to provide all information, which it deems relevant at the pre-exit meeting to ensure that it is taken into consideration.

If CONTRACTOR and COUNTY do not hold a pre-exit meeting:

A-C, COUNTY will not review any additional documentation, which CONTRACTOR provides, related to the findings and recommendations in the preliminary draft fiscal audit report.

A-C and COUNTY staff will issue the exit draft fiscal audit report (see Section X Issuance of Exit Draft Fiscal Audit Report).

## **X. Issuance of Exit Draft Fiscal Audit Report**

An exit draft fiscal audit report will be prepared and sent to CONTRACTOR. CONTRACTOR will be asked to review the exit draft fiscal audit report and prepare for an exit conference, which will be scheduled within 15 calendar days of the date the exit draft fiscal audit report is received by CONTRACTOR. COUNTY will contact CONTRACTOR to schedule the exit conference.

## **XI. Exit Conference**

The purpose of the exit conference is to discuss the exit draft fiscal audit report, and the findings and recommendations contained therein, as well as any proposed wording changes, which may be sought by CONTRACTOR.

COUNTY's role at the exit conference will be to answer questions regarding COUNTY policies, and clarify administrative procedures to be followed after the COUNTY issues the final report. COUNTY personnel will defer any discussion

related to the resolution of specific findings and recommendations until the final report is officially released.

In consideration of the discussions at the exit conference, the COUNTY may, in their sole discretion, make revisions to the exit draft fiscal audit report. A-C/DCFS staff will notify CONTRACTOR via phone of any revisions to the exit draft fiscal audit report. The exit draft fiscal audit report, updated for any revisions deemed appropriate by the A-C and DCFS, will herein be referred to as the final draft fiscal audit report.

## **XII. CONTRACTOR Response to Final Report**

Within thirty (30) calendar days of the date the final draft fiscal audit report is received by CONTRACTOR, CONTRACTOR shall submit a response to the findings and recommendations, via first-class mail, to the DCFS/Probation Fiscal Monitoring Section. The response should address each of the findings affecting CONTRACTOR's operations, including but not limited to compliance/internal control issues and identified questioned Expenditures, and indicate corrective actions planned or already taken. As to corrective actions planned, CONTRACTOR shall identify the dates that corrective action will be implemented and completed.

## **XIII. COUNTY Response to Final Report**

COUNTY (or another office/agency within Los Angeles County) will evaluate the adequacy of the CONTRACTOR's written response to the final draft fiscal audit report. Within 25 calendar days of COUNTY's receipt of CONTRACTOR's written response to the final draft fiscal audit report, DCFS/Probation will provide CONTRACTOR with COUNTY's written response, which sets forth the required COUNTY corrective action plan (CAP). Should Contractor disagree with the contents of the CAP, Contractor shall submit a response to the COUNTY CAP within 15 business days via first class mail to DCFS Fiscal Monitoring Section/Probation Central Placement Office. COUNTY will review the Contractor's response to the COUNTY CAP and issue a final required COUNTY Corrective Action Plan within 5 calendar days. Should CONTRACTOR not comply with the Corrective Action Plan, COUNTY may, in their sole discretion, exercise any and all remedies, including but not limited to placement of CONTRACTOR on Do Not Refer or Do Not Use status.

## **XIV. Final Report to the Board of Supervisors**

The COUNTY will make every effort to issue the final report, with the Contractor's response attached, to the Board of Supervisors within 60 calendar days after the issuance date of the final draft fiscal audit report. CONTRACTOR will be provided with a copy of the final report at the same time as it is issued to the Board of Supervisors. The final report along with the Contractor's response and DCFS'/Probation/DMH's CAP will be posted on the A-C website and will be

deemed a public record pursuant to the Public Records Act (Cal. Govt. Code section 6250, et seq.) It is the policy of the A-C to post final reports on the website within 24 hours of issuance.

**XV. Establishment of a Repayment Plan**

Within fifteen calendar days of the date of COUNTY's response to the Final Report, CONTRACTOR, shall schedule an appointment with DCFS Fiscal Monitoring staff/Probation Central Placement Office/DMH to sign a repayment agreement for recovery of the questioned Expenditures identified in the Final Report. CONTRACTOR shall sign the repayment agreement no later than 30 calendar days after the date of COUNTY response to the Final Report. Should CONTRACTOR not comply with the repayment plan for questioned Expenditures, COUNTY may, in their sole discretion, exercise any and all remedies, including but not limited to placement of CONTRACTOR on Do Not Refer or Do Not Use status.

## **EXHIBIT D**

### **AUDITOR-CONTROLLER COMMUNITY TREATMENT FACILITY CONTRACT ACCOUNTING AND ADMINISTRATION HANDBOOK**

The following handbook is designed for inclusion in Department of Children and Family Services Community Treatment Facility contracts. The purpose of the handbook is to establish accounting, internal control, financial reporting, and contract administration standards for Community Treatment Facilities who contract with the COUNTY.

Revised :9/6/2005

**AUDITOR-CONTROLLER**  
**COMMUNITY TREATMENT FACILITY CONTRACT ACCOUNTING AND**  
**ADMINISTRATION HANDBOOK**

The purpose of this Handbook is to establish required accounting, financial reporting, and internal control standards for entities (CONTRACTOR) which contract with the Los Angeles County (COUNTY).

The accounting, financial reporting and internal control standards described in this Handbook are fundamental. These standards are not intended to be all inclusive or replace acceptable existing procedures or preclude the use of more sophisticated methods. Instead, this Handbook represents the minimum required procedures and controls that must be incorporated into a CONTRACTOR'S accounting and financial reporting systems. The internal control standards described are those that apply to organizations with adequate staffing. Organizations with a smaller staff must attempt to comply with the intent of the standards and implement internal control systems appropriate to the size of their staff/organization. The CONTRACTOR'S subcontractors must also follow these standards unless otherwise stated in the Agreement.

A. ACCOUNTING AND FINANCIAL REPORTING

1.0 Basis of Accounting

CONTRACTORS may elect to use either the cash basis or accrual basis method of accounting for recording financial transactions. Monthly invoices must be prepared on the same basis that is used for recording financial transactions.

1.1 The COUNTY recommends the use of the accrual basis for recording financial transactions.

Accrual Basis

Under the accrual basis, revenues are recorded in the accounting period in which they are earned (rather than when cash is received). Expenditures are recorded in the accounting period in which they are incurred (rather than when cash is disbursed).

Accruals

Accruals shall be recorded observing the following:

Only accruals where cash will be disbursed within six months of the accrual date should be recorded.

Recorded accruals must be reversed in the subsequent accounting period.

- 1.2 If an agent elects to use the cash basis for recording financial transactions during the year:

Necessary adjustments must be made to record the accruals at the beginning and the end of the contract.

All computations, supporting records, and explanatory notes used in converting from cash basis to the accrual basis must be retained.

1.3 Prepaid Expenses

Prepaid expenses (e.g., insurance, service agreements, lease agreements, etc.) should only be expensed during a given Agreement year to the extent goods and services are received during that Agreement year.

ACCOUNTING SYSTEM

- 2.0 Each agent shall maintain a double entry accounting system (utilizing debits and credits) with a General Journal, a Cash Receipts Journal, a General Ledger, and a Cash Disbursements Journal. The COUNTY recommends that a Payroll Register also be maintained. Postings to the General Ledger and Journals should be made on a monthly basis. The CONTRACTOR shall maintain a separate Cost Center(s), which clearly identifies AFDC-FC funds, received and expended for the care and services of placed children under this Agreement.

2.1 General Journal

A General Journal shall be maintained for recording adjusting entries, reversing entries, closing entries, and other financial transactions not normally recorded in the Cash Receipts Journal or Cash Disbursements Journal. Entries in the General Journal must be adequately documented, and entered in chronological order with sufficient explanatory notations.

|              |     |     |
|--------------|-----|-----|
| Example:     | DR  | CR  |
| Rent Expense | 100 |     |
| Rent Payable |     | 100 |

To record accrued rent to March 31, 20XX

The Cash Receipts Journal shall contain (minimum requirements) the following column headings:

- date
- receipt number
- cash debit columns
- income credit columns for the following accounts:
  - COUNTY payments (one per funding source)
  - Contributions
  - Other Income (Grants, sales of supplies/services, rental income, miscellaneous revenue, fees, etc.)
- Description (Entries in the description column must specify the source of cash receipts.)

### 2.3 Cash Disbursements Journal

A Cash Disbursements Journal shall be maintained for recording all cash disbursements (e.g., rent, utilities, maintenance, etc.)

The Cash Disbursements Journal shall contain (minimum requirements) the following column headings:

- date
- check number
- cash (credit) column
- expense account name
- description

Note (1) Separate expense columns are recommended for salary expense and other recurring expense classifications for each program.

Note (2) Entries in the description column must specify the nature of the expense and the corresponding expense classification if not included in the column heading.

Note (3) Checks should not be written to employees (other than payroll, mileage, travel, and petty cash custodian checks.)

A Check Register may be substituted for the Cash Disbursements Journal, but this is not recommended. If used, the Check Register must contain the same expense classifications and description information required when a Cash Disbursements Journal is used.

Disbursements without supporting documentation will be disallowed on audit. Cancelled checks and credit card statements (VISA, AMEX, department store, etc.) will not constitute acceptable support. (See Section A.3.2 and B.2.4) for additional guidance.

## 2.4 General Ledger

A General Ledger shall be maintained with accounts for all assets, liabilities, fund balances, Expenditures, and revenues. Separate accounts must be maintained for each COUNTY program's expenses and revenues.

## 2.5 Chart of Accounts

A Chart of Accounts shall be maintained:

The COUNTY recommends that agents use the expense account titles on the monthly invoice submitted to the COUNTY.

If the CONTRACTOR uses account titles, which differ from the account titles on the monthly invoice, each account title must clearly identify the nature of the transaction(s) posted to the account.

CONTRACTOR must consistently post transactions that are of a similar nature to the same account. For example, all expenses for travel shall be posted to the account titled "travel" or "travel expense" and not intermixed with other expense accounts.

## 2.6 Payroll Register

The COUNTY recommends that a Payroll Register be maintained for recording all payroll transactions. The Register should contain the following:

Name  
Position  
Social Security Number  
Salary (hourly wage)  
Payment Record including:  
accrual period  
gross pay  
itemized payroll deductions  
net pay amount  
check number

If a Payroll Register is not used, the information in (2.6) must be recorded in the cash disbursements journal.

CONTRACTOR will ensure compliance with all applicable federal and State requirements for withholding payroll taxes (FIT, FICA, FUTA, SIT, SIU, etc.), reporting, filing (941, DE-7, W-2, W-4 and 1099s), and all applicable tax deposits.

CONTRACTOR will ensure compliance with Internal Revenue Service guidelines (IRS Publication 15A) in properly classifying employees and independent contractors.

## 2.7 CONTRACTOR Invoices

Each agent shall present an invoice to the COUNTY each calendar month to report the financial activity of the month. In addition, if advanced funding is involved, an invoice shall be presented at the beginning of the contract period. Invoices shall be prepared in the manner prescribed by the COUNTY'S contracting department.

## 3.0 Records

Adequate care shall be exercised to safeguard the accounting records and supporting documentation. Any destruction or theft of the CONTRACTOR'S accounting records or supporting documentation shall be immediately reported to the COUNTY.

### 3.1 Retention

All accounting records (e.g., journals, ledgers, etc.), financial records and supporting documentation (e.g., invoices, receipts, checks, etc.) must be retained for a minimum of five years after the termination of the CONTRACTOR'S Agreement.

### 3.2 Supporting Documentation

All revenues and Expenditures shall be supported by original vouchers, invoices, receipts, or other documentation and shall be maintained in the manner described herein.

Invoices, receipts, canceled checks and other documentation clearly establishing the nature of the Expenditure and its relevance to the COUNTY program being contracted for will be required to support an outlay of funds. (See Agreement, Section 10.3). Unsupported disbursements will be disallowed on audit. CONTRACTOR will be required to repay COUNTY for all disallowed costs. **Photocopied invoices or receipts, any internally generated documents (i.e., vouchers, request for check forms, requisitions, canceled checks, etc.), and account statements do not constitute supporting documentation for purchases.**

Supporting documentation is required for various types of Expenditures. Documentation related to some of the most frequently encountered transactions consists of, but is not limited to the following:

**Payroll** – time and attendance records signed by the employee and approved in writing by the supervisor, time distribution records by program accounting for total work time on a daily basis for all employees, records showing actual Expenditures for Social Security and unemployment insurance, State and federal quarterly tax returns, federal W-2 forms, and federal W-4 forms. Personnel records shall also be maintained documenting employee pay rates. Furthermore, personnel records shall contain documentation confirming that educational and practical experience requirements of an employee's position have been met. Where licensure is a requirement of an employee's position, CONTRACTOR's personnel file shall contain documentation confirming the validity of the employee's license.

**Consultant Services** – contracts, time and attendance records, billing rates, travel vouchers detailing purpose, time and location of travel, purchase orders and invoices for supplies and invoices or other supporting documentation detailing the nature of services provided.

**Travel** – travel policies of the CONTRACTOR (written); travel expense vouchers showing location, date and time of travel, purpose of trip, and rates claimed; vehicle mileage logs showing dates, destination and headquarters, purpose of trip, and beginning and ending odometer readings and the resulting mileage. Vehicle mileage logs must clearly identify business versus non-business, or personal travel. Travel related to conferences should include conference literature such as agendas and handouts detailing purpose of the conference. Reimbursement rates for mileage shall not exceed applicable federal guidelines.

Reimbursement for actual receipts or per diem rates for meal expenses shall not exceed the maximum COUNTY'S reimbursement rate for employees.

Receipts shall be required for lodging for approved out-of-town travel dates. Maximum reimbursable lodging amount is the maximum COUNTY'S reimbursement rate for employees for a single occupancy hotel accommodation.

**Operating Expenses** (e.g., utilities, office supplies, equipment rentals, etc.) – bona fide contracts or lease agreements, if any, and invoices and receipts detailing the cost and items purchased will constitute the primary supporting documentation. For internal control purposes, the CONTRACTOR may maintain vouchers, purchase orders, requisitions, stock received reports, bills of lading, etc.

**Outside Meals** - receipts and/or invoices for all meals, a record of the nature and purpose of each meal, and identification of the participants.

**Loans from Employees** - Loans to the CONTRACTOR by employees shall be supported by a written loan agreement and records documenting that the lent funds were deposited into a CONTRACTOR bank account. To the extent that the loan agreement provides for the payment of interest, the interest will not be an allowable expense under the Agreement.

### 3.3 Payments to Affiliated Organizations or Persons

CONTRACTOR shall not make payments to affiliated organizations or persons (i.e., related party transactions) for program expenses (e.g., salaries, services, rent, etc.) that exceed the lesser of actual cost or the reasonable cost for such expenses. A reasonable cost shall be the price that would be paid by one party to another when the parties are dealing at arm's length (fair market price).

Organizations or persons (related parties) related to the CONTRACTOR or its members by blood, marriage, or through legal organization (corporation, partnership, association, etc.) will be considered affiliated for purposes of this Agreement. COUNTY shall be solely responsible for the determination of affiliation unless otherwise allowed and approved by the State or federal agencies.

Payments to affiliated organizations or persons will be disallowed on audit to the extent the payments exceed the lower of actual costs or the reasonable costs for such items.

### 3.4 Filing

All relevant supporting documentation for reported program Expenditures and revenues shall be filed in a systematic and consistent manner. It is recommended that supporting documents be filed as follows:

- checks – numerically
- invoices – vendor name and date
- vouchers – numerically
- receipts – chronologically
- timecards – pay period and alphabetically

### 3.5 Referencing

Accounting transactions posted to the CONTRACTOR'S books shall be appropriately cross-referenced to supporting documentation. It is recommended that Expenditure transactions on the CONTRACTOR'S books be cross-referenced to the supporting documentation as follows:

- invoices – vender name and date
- checks – number

vouchers –number  
revenue – receipt number

Supporting documentation for non-payroll Expenditures (i.e., operating Expenditures) should be cross-referenced to the corresponding check issued for payment. If multiple invoices are paid with one check, all related invoices should be bound together and cross-referenced to the check issued for payment.

#### 4.0 Donations and Other Sources of Revenue

Restricted donations and other sources of revenue earmarked specifically for the Contract must be utilized on allowable contract Expenditures. Likewise, income from investments, where the source of the amount invested is COUNTY program funds, shall be deemed restricted revenue that must be utilized on allowable Expenditures under the attached Agreement.

#### 5.0 Audits

The agent will make available for inspection and audit to COUNTY representatives, upon request, during working hours, during the duration of the contract and for a period of five years thereafter, all of its books and records relating to the operation by it of each project or business activity which is funded in whole or part with governmental monies, whether or not such monies are received through the COUNTY. All such books and records shall be maintained at a location within Los Angeles County.

#### 6.0 Single Audit Requirements

OMB Circular 133, "Audits of State, Local Governments and Non Profit Organizations" requires that certain organizations receiving federal awards, including pass-through awards, have annual audits. Details are contained in the respective Circular.

A copy of any Single Audit reports must be filed with the COUNTY within the timeframes prescribed by the applicable Circular.

#### 7.0 Subcontracts

**No CONTRACTOR shall subcontract services without the prior written consent of the COUNTY.**

**CONTRACTOR shall provide COUNTY with copies of all executed subcontracts and shall be responsible for the performance of their subcontractors.**

## **B. INTERNAL CONTROLS**

Internal controls safeguard the CONTRACTOR'S assets from misappropriations, misstatements or misuse. Each CONTRACTOR shall prepare necessary written procedures establishing internal controls for its personnel. The CONTRACTOR shall instruct all of its personnel in these procedures and continuously monitor operations to ensure compliance with them.

### **1.0 Cash Receipts**

#### **1.1 Separate Fund or Cost Center**

All contract revenues shall be maintained in a bank account. If revenues from other sources are maintained in the same bank account, revenues for each source must be clearly identifiable on the accounting records through the use of cost centers or separate accounts.

#### **1.2 Deposits**

All checks shall be restrictively endorsed upon receipt.

Cash received shall be recorded on pre-numbered receipts. Checks shall be recorded on a check remittance log at the time of receipt.

Cash receipts (i.e., cash and checks) totaling \$500 or more shall be deposited within one day of receipt. Collections of less than \$500 may be held and secured and deposited weekly or when the total reaches \$500, whichever occurs first.

Duplicate deposit slips shall be retained and filed chronologically, and shall contain sufficient reference information for comparison to the Cash Receipts Journal (and individual receipts, if applicable). A recommended practice would be to retain photocopies of the COUNTY warrants reflected on each deposit slip, or record the individual warrant numbers onto the deposit slip.

#### **1.3 Separation of Duties**

An employee who does not handle cash shall record all cash receipts.

#### **1.4 Bank Reconciliations**

Bank statements should be received and reconciled by someone with no cash handling, check writing, or bookkeeping functions.

Monthly bank reconciliations should be prepared within 30 days of the bank statement date and reviewed by management for appropriateness and accuracy. The bank reconciliations should be signed and dated by

both the preparer and the reviewer. Reconciling items should be resolved timely.

## 2.0 Disbursements

### 2.1 General

All disbursements for Expenditures, other than petty cash, shall be made by check.

Blank check stock shall be secured and accounted for to preclude unauthorized use.

Checks shall not be payable to "cash" or signed in advance. Checks written to employees for reimbursement of out-of-pocket costs must be supported by receipts and invoices.

A second signature shall be required on all checks, unless otherwise specified in contract.

If the bookkeeper signs checks, a second signature shall be required on the checks, regardless of limits specified in contract.

Voided checks shall be marked void with the signature block cut out. The voided checks must be filed with the cancelled checks.

Unclaimed or undelivered checks shall be cancelled periodically.

All supporting documentation shall be referenced to check numbers and marked "paid" or otherwise canceled to prevent reuse or duplicate payments.

Disbursements without adequate supporting documentation will be disallowed on audit.

### 2.2 Approvals and Separation of Duties

Employees responsible for approving cash disbursements and/or signing of checks shall examine all supporting documentation at the time the checks are approved and signed.

All disbursements, excluding petty cash purchases, shall be approved by persons independent of check preparation and bookkeeping activities.

### 2.3 Petty Cash

A petty cash fund up to \$500 may be maintained for payment of small incidental expenses incurred by the CONTRACTOR (e.g., postage due,

small purchases of office supply items, etc.). The CONTRACTOR must obtain written approval from the COUNTY to establish a petty cash fund greater than \$500.

Petty cash disbursements must be supported by invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. In the event that outside (external) supporting documentation is not obtainable for minor disbursements (under \$10), such as parking meters, etc., then documentation shall be considered as proper supporting documentation on a basis of reasonableness. Petty cash disbursements should not be used as a substitute for normal purchasing and disbursement practices i.e., payment by check).

The petty cash fund shall be maintained on an imprest basis. A check should be drawn to set up the fund and to make periodic reimbursements. Receipts, vouchers, etc., supporting each fund replenishment must be bound together, filed chronologically and cross referenced to the reimbursement check.

#### 2.4 Credit Cards

The use of credit cards, both CONTRACTOR issued credit cards and an employee's personal credit cards used on behalf of the CONTRACTOR, should be limited to purchases where normal purchasing and disbursement practices are not suitable.

Credit cards issued in the CONTRACTOR'S name must be adequately protected and usage monitored to ensure that only authorized and necessary items are purchased.

Credit card purchases should be pre-approved by CONTRACTOR management to ensure that they are reasonable and necessary.

All credit card disbursements must be supported by original invoices, store receipts or other external authenticating documents indicating the item purchased and the employee making the purchase. Credit card statements are not sufficient support for credit card purchases.

#### 3.0 Timekeeping

##### 3.1 Timecards

Timecards or time reports must be prepared for each pay period. Timecards or time reports must indicate total hours worked each day by

program and total hours charged to each of the CONTRACTOR'S programs. Time estimates do not qualify as support for payroll Expenditures and will be disallowed on audit.

All timecards and time reports must be signed in ink by the employee and the employee's supervisor to certify the accuracy of the reported time.

### 3.2 Personnel and Payroll Records

Adequate security must be maintained over personnel and payroll records with access restricted to authorized individuals.

Personnel and payroll records should include (but not be limited to) the following:

- Employee's authorized salary rate
- Employee information sheet
- Resume and/or application
- Proof of qualifications for the position, if required (e.g., notarized copy or original diploma, license, etc.)
- Performance evaluations
- Criminal record clearance
- Citizenship Status
- Benefit balances (e.g., sick time, vacation, etc.)

#### Benefit Balances

Employee benefit balances (e.g., sick time, vacation, personal time, etc.) should be maintained on at least a monthly basis. Benefit balances should be increased when benefit hours are earned and decreased as hours are used.

#### Limitations on Positions and Salaries

The CONTRACTOR shall pay no salaries higher than those authorized in the contract, or the attachments thereto, including this Auditor-Controller Community Treatment Facility Contract Accounting and Administration Handbook (Exhibit D), except as proscribed by state or federal law.

For purposes of establishing a reasonable level of compensation for CONTRACTORS personnel, COUNTY may refer to the Child Welfare League of America (CWLA) Salary Study, or other regionally recognized salary studies for non-profit social service agencies. Salary studies which are both regionally and nationally recognized are preferred.

If an employee serves in the same or dual capacities under more than one Agreement or program, the employee may not charge more than 100% of their time to the contracts or programs taken as a whole.

Salaried employees who work less than full-time (i.e., 40 hours per week) shall be paid a salary that corresponds with the employee's work schedule.

The salary expense of salaried employees working on more than one Agreement or program shall be allocated to each program based on the ratio of the number of hours worked on each program during the pay period to the total number hours worked during the pay period.

The CONTRACTOR will make no retroactive salary adjustment for any employee without written approval from the COUNTY.

#### Separation of Duties

Payroll checks should be distributed by persons not involved in timekeeping, preparing of payroll, or reconciling bank accounts.

All employee hires and terminations, or pay rate changes, shall be approved by authorized persons independent of payroll functions.

All employee hires and terminations, or pay rate changes shall be approved in writing by authorized persons independent of payroll functions.

#### 4.0 Fixed Assets

A fixed asset is defined as an article of nonexpendable tangible personal property having a useful life of more than two years. The COUNTY recommends all fixed assets with an acquisition cost of \$5,000 or more per unit be capitalized.

Acquisition cost means the net invoice unit price of an item, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it was acquired.

#### 4.1 Acquisition

Fixed asset purchases shall be approved by the Agency's Board of Directors or their authorized representative.

#### 4.2 Identification and Inventory

All fixed assets purchased with Contract funds are to be used solely for the benefit of the Contract and should be appropriately tagged.

Each CONTRACTOR shall maintain a current listing of fixed assets, including the item description, serial number, date of purchase, acquisition cost and sources of funding.

An inventory of all fixed assets should be conducted at least once each year to ensure that all fixed assets are accounted for and maintained in proper working order.

#### 4.3 Security

Physical security should be adequately maintained over fixed assets to prevent misuse and theft of COUNTY property.

#### 4.4 Property Management

The CONTRACTOR shall assume responsibility and accountability for the maintenance of all non-expandable property purchased, leased, or rented with Contract funds.

The CONTRACTOR shall report promptly, in writing, to the COUNTY all cases of theft, loss, damage, or destruction of fixed assets purchased with COUNTY funds. The report shall contain at a minimum, item identification, recorded value, facts relating to loss, and, where appropriate, a copy of the law enforcement report.

CONTRACTOR shall dispose of or return to the COUNTY all fixed assets, in accordance with their Contract.

5.0 Bonding – All officers, employees, and agents who handle cash or have access to the agent's funds shall be bonded.

6.0 Investments – COUNTY program funds may not be utilized on investments where there is a risk of loss.

### C. COST PRINCIPLES

#### 1.0 Policy

It is the intent of the COUNTY to provide funds for the purpose of CONTRACTOR providing services required by the Agreement. CONTRACTOR shall use these funds on actual expenses in an economical and efficient manner and ensure they are reasonable, proper and necessary costs of providing services and are allowable in accordance with the applicable OMB Circular.

1.1. Limitations on Expenditures of Program Funds

CONTRACTOR shall comply with the Agreement and OMB Circular A-122 "Cost Principles for Non-Profit Organizations". The Circular defines direct and indirect costs, discusses allowable cost allocation procedures and the development of Indirect Cost Rates, and specifically addresses the allowability of a variety of different costs.

If a CONTRACTOR is unsure of the allowability of any particular type of cost or individual cost, the CONTRACTOR should request advance written approval from the COUNTY prior to incurring the cost.

1.2 Expenses Incurred Outside the Agreement Period

Expenses charged against program funds may not be incurred prior to the effective date of the Agreement or subsequent to the Agreement termination date. Similarly, current period expenses related to events or activities that occurred prior to the effective date of the Agreement may not be allowable. For example, any legal costs incurred prosecuting or defending a lawsuit stemming from events which occurred during a period not covered by a valid Community Treatment Facility Agreement between CONTRACTOR and COUNTY would not be allowable. Legal costs discussed in this paragraph shall not include those covered under OMB Circular A-122, Attachment C-1.

1.3 Budget Limitation

Total agency contract expenses may not exceed the maximum contract budget.

1.4 This Section Intentionally Left Blank

1.5 Necessary, Proper and Reasonable

Only those Expenditures that are necessary, proper and reasonable to carry out the purposes and activities of the Program are allowable.

2.0 Allocation of Cost Pools

For CONTRACTORS that provide services in addition to the services required under contract, the CONTRACTOR shall allocate Expenditures that benefit programs or funding sources on an equitable basis.

In accordance with the applicable OMB Circular, agencies shall define their allocable costs as either direct or indirect costs (as defined below) and allocate each cost using the basis most appropriate and feasible.

The CONTRACTOR shall maintain documentation related to the allocation of expenses (e.g., timecards, time summaries, square footage measurements, number of employees, etc.).

Under no circumstances shall allocated costs be charged to an extent greater than 100% of actual costs or the same cost be charged both directly and indirectly.

## 2.1 Direct Costs

Direct costs are those costs that can be identified specifically with a particular final cost objective (i.e., a particular program, service, or other direct activity of an organization). Examples of direct costs include salaries and benefits of employees working on the program, supplies and other items purchased specifically for the program, costs related to space used by employees working on the program, etc.

For all employees, other than general and administrative, the hours spent on each program (activity) should be recorded on employees' timecards and the payroll expense should be treated as direct charges and distributed on the basis of recorded hours spent on each program.

Joint costs (i.e., costs that benefit more than one program or activity), which can be distributed in reasonable proportion to the benefits received, may also be direct costs.

Examples of bases for allocating joint costs as direct costs:

- Number of direct hours spent on each program
- Number of employees in each program
- Square footage occupied by each program
- Other equitable methods of allocation

## 2.2 Indirect Costs

Indirect costs are those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Examples of indirect costs include salaries, employee benefits, supplies, and other costs related to general administration of the organization, depreciation and use allowances, and the salaries and expenses of executive officers, personnel administration, and accounting.

Examples of bases for allocating indirect costs:

- Total direct salaries and wages
- Total direct costs (excluding capital Expenditures and other distorting items such as subcontractor payments)

## 2.3 Acceptable Indirect Cost Allocation Methods

OMB Circulars describe the following allowable methods for allocating indirect costs:

- Simplified allocation method
- Direct allocation method
- Multiple allocation base method
- Negotiated indirect cost rate

### Simplified Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all allocable costs are considered indirect costs and an indirect cost rate is determined by dividing total allowable indirect costs by an equitable distribution base.

#### Example

|  |                 |
|--|-----------------|
| Agency-wide indirect costs                         | \$250,000       |
| Less: Capital Expenditures                         | <u>10,000</u>   |
| Allocable indirect costs                           | 240,000         |
| Total agency-wide indirect salaries                | \$1,000,000     |
| Indirect cost rate ( $\$240,000/\$1,000,000$ )     | 24%             |
| Program direct salaries                            | \$100,000       |
| Program indirect costs ( $24\% \times \$100,000$ ) | <u>\$24,000</u> |

### Direct Allocation Method

This method can also be used when an organization's major functions benefit from its indirect costs to approximately the same degree. Using this method, all costs except general administration and general expenses are treated as direct costs. Joint costs for depreciation, rental, facilities maintenance, telephone, and other similar expenses are prorated individually to each direct activity on a basis appropriate for that type of cost.

The remaining costs, which consist exclusively of general administration and general expenses are then allocated using the simplified allocation method previously discussed.

### Multiple Base Allocation Method

This method can be used when an organization's major functions benefit from its indirect costs in varying degrees. Using this method, indirect

costs are grouped to permit allocation of each grouping on the basis of the benefits provided to the major functions. Each grouping is then allocated individually using the basis most appropriate for the grouping being allocated.

#### 2.4 Cost Allocation Plan

If the CONTRACTOR has a negotiated indirect cost rate approved by a federal agency, it shall submit a copy of the approval letter when requested by COUNTY.

If the CONTRACTOR does not have a negotiated indirect cost rate, CONTRACTOR shall submit an annual Agency-wide Cost Allocation Plan when requested by COUNTY. The Cost Allocation Plan shall be prepared in accordance with COUNTY instructions and the applicable OMB Circular and include the following information:

CONTRACTOR general accounting policies:

Basis of accounting (cash or accrual)

Fiscal year

Method for allocating indirect costs (simplified, direct, multiple, negotiated rate)

indirect cost rate allocation base

Identify the CONTRACTOR'S direct and indirect costs (by category) and describe the cost allocation methodology for each category.

Signature of CONTRACTOR management certifying the accuracy of the plan.

#### Negotiated Indirect Cost Rates

Agencies have the option of negotiating an indirect cost rate or rates for use on all their Federal programs. The CONTRACTOR must submit a cost allocation plan to the federal agency providing the most funds to the organization. The approved indirect cost rate is then applied to the total approved direct cost base.

If CONTRACTOR has a federally approved indirect cost rate, CONTRACTOR shall submit a copy of the approval letter to COUNTY upon request.

#### D. UNALLOWABLE COSTS

OMB Circulars address the allowability of a variety of different costs. For all costs, there are certain restrictions and limitations; however, the following costs are not allowable under any circumstances:

Any Expenditures, or un-Expended funds, found to be unallowable by any federal or state agency authorized to review the Expenditures or un-Expended funds. To the extent that any federal or state agency seeks collection of unallowable Expenditures or un-Expended funds, COUNTY will not review and/or seek collection of those Expenditures or un-Expended funds.

Bad debts

Contingency provisions

Contributions and donations

Fines and penalties (e.g., NSF Check Fees, Traffic Citation Fees)

Fundraising activities

Interest expense (unless expressly allowed by Federal guidelines)

Losses on other awards

Legal and professional expenses, which are incurred defending against COUNTY claims for repayment of questioned costs identified in Fiscal Audits, are allowable only as permitted by OMB Circular A-122.

#### E. OVERPAYMENTS

If upon audit, or at any time during the Agreement year, it is determined that invoices submitted to the COUNTY and used as a basis for payments to the CONTRACTOR were inaccurate, COUNTY shall determine the total overpayment and require the CONTRACTOR to repay COUNTY. The COUNTY may withhold payments from CONTRACTOR'S future payments for any amounts not returned to the COUNTY or credited to the Contract unless otherwise prohibited by State or federal regulations.

#### F. MISCELLANEOUS REQUIREMENTS

##### 1.0 Insurance

CONTRACTOR is responsible for securing and maintaining insurance coverage as required by the Agreement. CONTRACTOR must notify COUNTY when insurance is revoked, reduced to a level or coverage less than required, or otherwise made ineffective.

Insurance shall include an endorsement naming the COUNTY as an additional insured.

##### 2.0 Activity

No funds, materials, property, or services contributed to the COUNTY or the CONTRACTOR under this Agreement shall be used in the performance of any political activity, the election of any candidate, or the defeat of any candidate for public office.

*Complete Part I or Part II below, as appropriate.*

#### Part I - Application for Exception From the Program

I request an exception from the Program for the following reason(s) (check the appropriate box(es) and attach documentation that supports your claim):

- ☐ My business does not meet the definition of "contractor," as defined in the Program," because my business has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000 in any 12 month period). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has 10 or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than 10 employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

#### Part II - Certification of Compliance

My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

*I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.*

**“Contractor Employee Jury Service”**

**Los Angeles County Code Sections 2.203.010 through 2.203.090**

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- A. “Contractor” means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. “Employee” means any California resident who is a full-time employee of a contractor under the laws of California.
- C. “Contract” means any agreement to provide goods to, or perform services for or on behalf of, the county.
- D. “Full time” means 40 hours or more worked per week, or a lesser number of hours if the lesser number is a recognized industry standard as determined by the chief administrative officer.
- E. “County” means the county of Los Angeles or any public entities for which the board of supervisors is the governing body. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.030 Applicability.**

This chapter shall apply to contractors who enter into contracts that commence two or more months after the effective date of this chapter. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence two or more months after the effective date of this chapter. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.040 Contractor Jury Service Policy.**

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees’ regular pay the fees received for jury service. (Ord. 2002-0015 § 1 (part), 2002).

## **2.203.050 Other Provisions.**

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract. (Ord. 2002-0015 § 1 (part), 2002)

## **2.203.060 Enforcement and Remedies.**

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

- 1. Recommend to the board of supervisors the termination of the contract; and/or,
- 2. Pursuant to chapter 2.202, seek the debarment of the contractor. (Ord. 2002-0015 § 1 (part), 2002)

## **2.203.070. Exceptions.**

- A. Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. Small Business. This chapter shall not be applied to any contractor that meets all of the following:
  - 1. Has ten or fewer employees during the contract period; and,
  - 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
  - 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation. (Ord. 2002-0015 § 1 (part), 2002)

## **2.203.090. Severability.**

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. (Ord. 2002-0015 § 1 (part), 2002).

#### What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

#### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

#### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

#### Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

#### Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

#### Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

#### What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

#### What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

#### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

#### A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

---

---

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

### ¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

### ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

### ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

### ¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

### ¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

### ¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

### ¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

### ¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

### ¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

### Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

---

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infómele qué otras opciones tiene.

---

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*

**Have You Told Your Employees About the  
Earned Income Credit (EIC)?**

---

**EXHIBIT N**

**What Is the EIC?**

The EIC is a refundable tax credit for certain workers. **A change to note.** Workers **cannot** claim the EIC if their 2002 investment income (such as interest and dividends) is over \$2,550.

**Which Employees Must I Notify About the EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

**Note:** You are encouraged to notify each employee whose wages for 2002 are less than \$34,178 that he or she may be eligible for the EIC.

**How and When Must I Notify My Employees?**

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2003.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the

notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS Web Site at **www.irs.gov**.

**How Will My Employees Know If They Can  
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2002 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit (EIC).

**How Do My Employees Claim the EIC?  
Notice 1015**

(Rev. 11-2002)

Eligible employees claim the EIC on their 2002 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2002 and owes no tax but is eligible for a credit of \$791, he or she must file a 2002 tax return to get the \$791 refund.

**How Do My Employees Get Advance EIC  
Payments?**

Eligible employees who expect to have a qualifying child for 2003 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Pub. 15**, Employer's Tax Guide.
